*The War Nurse* Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of *Call the Midwife* will love *The War Nurse* New York Journal of Books An impeccably researched well drawn based on a true story tale written by a former RN *The War Nurse* shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times bestselling author of *The Book of Lost Names* Based on a true story *The War Nurse* is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly s *Lost Roses* and Marie Benedict s *Lady Clementine* will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for *The War Nurse* Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of *The Last Garden in England* and *The Light Over London* A rich gripping history of one woman s lifelong battle against systemic prejudice Stewart O Nan award winning author of *The Good Wife* Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of *The Disharmony of Silence* A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of *The Girls in the Stilt House* If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then *The War Nurse* is for you Diane Dewey author of *Fixing the Fates* Fans of Patricia Harman will love Wood s treatment of medical expertise in a historical setting Booklist [War Nurse](#) Kathleen Margaret Gerrie, 2020-03-06 This is my journey as an Army nurse before during and after a war During my first tour of duty and after a traumatic experience a transformation began that allowed me to become the strongest woman I could be This was a pivotal time that led me on the path to becoming an Army critical care nurse Other things began to transpire during this time For

instance while sleeping I began having various random and very vivid nightmares about strangers being murdered These nightmares seemed too detailed and vivid to not be real Feeling compelled to help I reached out to homicide detectives Most detectives didn't accept this information and on occasion I was ridiculed However there were a couple of detectives that listened and worked with me on unsolved cases resulting in closure for families

*The Backwash of War* Ellen N. La Motte, 2019-02-05 Banned in multiple countries for its frank depiction of the horrors of war Ellen N La Motte's *The Backwash of War* is one of the most stunning antiwar books ever published We are witnessing a phase in the evolution of humanity a phase called War and the slow onward progress stirs up the slime in the shallows and this is the Backwash of War It is very ugly Ellen N La Motte In September 1916 as World War I advanced into a third deadly year an American woman named Ellen N La Motte published a collection of stories about her experience as a war nurse Deemed damaging to morale *The Backwash of War* was immediately banned in both England and France and later censored in wartime America At once deeply unsettling and darkly humorous this compelling book presents a unique view of the destruction wrought by war to the human body and spirit Long neglected it is an astounding book by an extraordinary woman and merits a place among major works of WWI literature This volume gathers for the first time La Motte's published writing about the First World War In addition to *Backwash* it includes three long forgotten essays Annotated for a modern audience the book features both a comprehensive introduction to La Motte's war time writing in its historical and literary contexts and the first extended biography of the lost author of this lost classic Not only did La Motte boldly breach decorum in writing *The Backwash of War* but she also forcefully challenged societal norms in other equally remarkable ways as a debutante turned Johns Hopkins trained nurse pathbreaking public health advocate and administrator suffragette journalist writer lesbian and self proclaimed anarchist

*The War Nurse* Wood, 2021-07-07 A stunning tale based on a true story of one nurse in France during WWI who must battle the 1918 Spanish Flu pandemic Another gripping historical fiction masterpiece from international bestselling author Tracey Enerson Wood She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty five nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines of will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital's limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Based on a true story *The War Nurse* is a sweeping historical

novel by international bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France

**Wartime Nurse** Eric Taylor, Eric Taylor, M.D., FACR, 2002 Wartime Nurse recounts the amazing exploits of nurses working in battle zones during the last 100 years spanning wars from the Crimea to Korea years when such nurses struggled for official recognition Florence Nightingale defied male prejudice and the conventions of the time by caring for soldiers in hospitals seething with cholera and awash with sewage During the Boer War nurses were calmly dressing wounds in the shell bombed streets of South Africa In the First World War tens of thousands served world wide battling away in tented hospitals from the icy conditions of Archangel to the heat of Mesopotamia By the time of the Second World War the Forces finally conceded that there was a place for military nurses close to the battlefield itself and exactly one century after proving themselves in Crimea wartime nurses were officially in action Book jacket

*Vietnam War Nurses* Patricia Rushton, 2013-04-17 Eighteen nurses who served in the United States military nurse corps during the Vietnam War present their personal accounts in this book They represent all military branches and both genders They served in the theater of combat in the United States and in countries allied with the U S They served in front line hospitals hospital ships large medical centers and small clinics They speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love

**Civil War Nurse Narratives, 1863-1870** Daneen Wardrop, 2015-10 Louisa May Alcott s hospital sketches a readership Georgeanna Woolsey s three weeks at Gettysburg connecting links Julia Dunlap s notes of hospital life women s rights benevolence and class Elvira Powers hospital pencillings travel dissent and cultural ties Anna Morris Holstein s three years in field hospitals of the Army of the Potomac the dead line Sophronia Bucklin s in hospital and camp rank and file nursing Julia Wheelock s the boys in white narrative construction

*The War Nurse* R. V. Doon, 2014-09-24 The War Nurse is a historical family saga and epic military romance set during WWII This historical thriller begins on the eve of WWII in the Philippines Katarina Stahl an American Red Cross nurse is the happiest she s ever been in her life She s making love and playing music with Jack Gallagher in an idyllic paradise Their medical mission is over the boat tickets to home are purchased and all that remains is to fly a sick child to the hospital at Clark Air Field She never expected to witness bombs falling out of planes In those terrifying first minutes she frees a German doctor accused of spying and saves his life She turns to nursing the injured unaware she s unleashed an obsession more dangerous to her and those she loves than the war she s trapped in Doctor von Wettin the man she freed finds Katarina pregnant and starving in a POW camp after the surrender He begs her to nurse his bed ridden wife She knows other Americans will despise her but wants her baby to live after surviving Bataan Their uneasy alliance is destroyed when she discovers he exploited Red Cross diplomatic channels and contacts at the German embassy to wire money to her parents His benevolent mask slips when he informs her that her brothers and parents are interned on Ellis Island When the Stahl family is swept up in the FBI s dragnet Josep Stahl believes it s all a misunderstanding He s interrogated like a criminal at

the city jail a military camp Ellis Island and then the civilian internment camps in Texas His anger and pride blind him One by one in this painful family drama his wife and sons join him behind barbed wire in There they face ostracism segregation and most frightening repatriation Katarina begins an even more terrifying journey into depraved darkness as Manila descends into occupation and chaos The doctor threatens everyone she loves infant son POW husband and Filipino friends She'll do anything to protect them she lies steals and smuggles As the war turns against the Japanese they withhold the doctor's wife's life saving medications until he finds a hidden radio inside the civilian internment camp If Katarina refuses to help him her son pays the price Survival has corrupted Katarina but she's not about to become his camp rat After years of hell she's earned her nickname war nurse Doctor von Wettin is about to find out what that means

**Historical Fictional Categories**  
**Historical WWII family saga Military historical romance Historical thriller Military historical fiction**      **Wartime Nurse** Eric Taylor,2001 Wartime Nurse recounts the amazing exploits of the nurses working in battle zones during the 100 years spanning wars from the Crimea to Korea years when such nurses struggled for official recognition      **Civil War Nurse** Hannah Anderson Ropes,1980 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military hospitals This book is edited with Introduction and Commentary by John R Brumgardt      *A War Nurse's Diary; Sketches From A Belgian Field Hospital [Illustrated Edition]* Anon.,2014-06-13 Illustrated with 33 photos of the author's comrades adventures and hospitals When war broke out in 1914 it was imagined in Britain that the war with Germany would be short and the need for nursing staff over in France would be low as there should be very few casualties The author a trained nurse from the Northern Midlands in England decided that she would volunteer her services immediately but was rebuffed by the Red Cross and St John's Ambulance on the basis that they had almost one nurse for every soldier in the field Not to be deterred she responded to an advert which read Ten nurses wanted at once for Antwerp must be voluntary And off to Belgium she went in August 1914 It was to be in Belgium that so many of these rosy presumptions that were held by many were shattered early in the autumn of 1914 as the German steamroller thumped into the Allied forces In its wake the huge numbers of wounded flooded into the hospitals in Belgium where our author was inundated with work As the Germans moved forward she and her fellow hospital staff were moved backward from Antwerp where she was briefly caught up in the siege escaping to Ghent Bruges Ostend and thence to France She tended to the wounded amidst the carnage of war almost unceasingly until a year later when she left France for England in October 1915      **Hospital Days** Jane Stuart Woolsey,2001 The story of Jane Stuart Woolsey's service as Superintendent of Nurses at the Fairfax Seminary Hospital during the Civil War offers insights into the role of women in our nation's greatest conflict and the beginnings of the nursing profession      *Clara Barton* Charles River Editors,2020-01-30 Includes pictures Includes excerpts of Barton's writing

Includes a bibliography for further reading I may be compelled to face danger but never fear it and while our soldiers can stand and fight I can stand and feed and nurse them Clara Barton The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers For over 150 years the war has been subjected to endless debate among civilians historians and the generals themselves The Civil War is often considered one of the first modern wars and while technology affected what happened on the battlefield technology and new methods also improved the way soldiers were cared for away from the front lines Civil War medicine is understandably and rightly considered primitive by 21st century standards but the ways in which injured and sick soldiers were removed behind the lines and nursed were considered state of the art in the 1860s and nobody was more responsible for that than Clara Barton the Florence Nightingale of America Barton had been an educator and clerk before the Civil War broke out in 1861 but almost immediately she went to work attempting to nurse injured Union soldiers and ensure army hospitals were properly supplied By 1862 she was shadowing Union armies near Washington to bring supplies clean field hospitals and directly nurse wounded soldiers herself In short order she was recognized as the Angel of the Battlefield In the wake of the war she gave speeches about her experiences and even went abroad to serve in a similar capacity during the Franco Prussian War and eventually she brought back the tenets of the International Red Cross to found the American Red Cross Under her leadership the organization would assist not just during wars but also during natural disasters and other humanitarian crises roles that the American Red Cross continues to fulfill today Clara Barton The Life and Legacy of the Civil War Nurse Who Founded the American Red Cross chronicles her remarkable life and the manner in which she changed nursing in America forever Along with pictures depicting important people places and events you will learn about Clara Barton like never before

**Nursing Through Shot and Shell** Vivien Newman,Christine Smyth,2023-12-30 This recently discovered memoir gives an intimate glimpse into the Great War service of Beatrice Hopkinson a Territorial Forces Nursing Service Sister who remained steadfastly and true to her profession as she nursed through shot and shell Dr Vivien Newman s meticulously researched Introduction brings Beatrice s world out of the shadows juxtaposing her war service against the background of the Army Nursing Service where dedicated professional nurses worked closer to the Front Line than women could have ever previously imagined doing Beatrice was selected for the most onerous type of duty in the bitterest phase of the war She had arrived in St Omer in the summer of 1917 when the town was being continuously bombed With her hospital under nightly attack Beatrice simply got on with the job she had come to France to do saving the lives and easing the dying of soldiers on the Western Front For Beatrice spring 1918 was marked by a sea of blood Caught up in the British Army s headlong retreat when hospitals and patients risked being captured by the enemy she and her rapid response team were rushed between several Casualty Clearing Stations in France and Belgium

They operated on thousands of soldiers wounded in Germany's final attempt to win the War. As the fortunes of war finally turned in the Allies' favor, Beatrice advanced through Belgium, a land destroyed by war and enemy occupation. This diary gives rare insight into the realities of front-line nursing through the eyes of someone who had never anticipated working for the Army but who, when her country called, willingly and steadfastly answered.

**Letters of a Civil War Nurse** Cornelia Hancock, 1998-01-01 From Gettysburg to Richmond, Cornelia Hancock served in makeshift hospitals and even on the battlefield. She was called "The Florence Nightingale of America." Originally published in 1937 as *SOUTH AFTER GETTYSBURG*, her letters to family members are witty, unsentimental, and full of indignation about the neglect of wounded soldiers and black refugees. 6 photos.

**M\*A\*S\*H Vietnam** Lorna Griess, 2018-11-03 I remember one young man who came to recovery with a missing right arm below the elbow. I knew I would be there when he opened his eyes. A spare and startling account of a war nurse. Kirkus Review.

**War Nurse** Sue Reid, 2005 This is the diary of Kitty, an 18-year-old VAD (Voluntary Aid Detachment) during the years of 1940 and 1941. As a nurse working in the military hospitals in the south of England, Kitty sees at close hand the effects of war, notably the casualties of Dunkirk.

**Faces of Civil War Nurses** Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War. During the American Civil War, women on both sides of the conflict, radiating patriotic fervor equal to their male counterparts, contributed to the war effort in countless ways: forming charitable societies, becoming nurses, or even marching off to war as *vivandières* (unofficial attaches) to the regiments. In *Faces of Civil War Nurses*, Ronald S. Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses, aid workers, and *vivandières*. Their personal narratives are as unique as fingerprints; each provides a distinct entry point into the larger social history of the brutal and bloody conflict. Coddington tells these determined women's stories through letters, diaries, pension files, and newspaper and government reports. Using identified tintypes and cartes de visite of women on both sides of the war, many of them never before published, Coddington uncovers the personal histories of each intrepid individual. Following their postwar stories, he also explains how the bonds they formed continued long after the cessation of hostilities. The fifth volume in Coddington's series on Civil War soldiers, this captivating microhistory will appeal to anyone with an interest in the Civil War, women's studies, social history, nursing, or photography. Praise for Ronald Coddington's *Faces* Series: An engaging look at a neglected part of the history of the American Civil War. Booklist: Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books. CRL News: A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors, as well as those readers captivated by the personal stories of Civil War soldiers. Civil War Books and Authors: Coddington's prose is as unpretentious as the faces he shares, yet authoritative. It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture. Atlanta Constitution: Even at a distance of over a hundred years, the faces staring out of these

pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews  
A fascinating window into the war s impact on the individual soldier well researched and engagingly written Any teacher of  
the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings  
Journal of Military History      **Gulf War Nurses** Patricia Rushton,2014-01-10 Since the pioneering work of nineteenth  
century nurses such as Florence Nightingale Dorothea Dix and Clara Barton professional nurses have been involved in caring  
for the sick and wounded in combat situations This book contains the accounts of 14 nurses who served in the U S military  
nurse corps during the Persian Gulf and Iraq wars These men and women describe how they found themselves serving during  
wartime the soldiers they cared for the professionals they worked with and the impact they made in their patients lives These  
varied accounts attest to the tremendous impact this profession has on the lives of individual soldiers and the health of  
armies at large      *Amazing Civil War Nurse Clara Barton* Mary Dodson Wade,2009-07-01 Biography of Clara Barton and the  
American Red Cross
