Wargaming Campaigns Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that's that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde's excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for Wargaming Campaigns This big thick tome contains everything you'd ever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society

The Horus Heresy: Siege of Terra no 05 Mortis John French, 2025-06-25 Una nueva entrega de Asedio a Terra Las victorias del Muro Saturnino y los sacrificios del espaciopuerto del Muro de la Eternidad se han perdido en la esperanza del ayer Frenados pero no derrotados los traidores intensifican su asalto contra el Palacio Imperial Con los espaciopuertos principales ya en manos de Horus el Señor de la Guerra hace descender sus naves de reserva desde el firmamento Conforme aumenta la presión del asalto el poder del Caos disminuye La vida en vela de los defensores está llena

de desesperación mientras que sus sueños los conducen a la búsqueda de un paraíso falso. En vista de que las defensas se desmoronan y la fuerza de voluntad de quienes las ocupan se resquebraja, Horus manda a los titanes de la Legio Mortis para abrir una brecha en las murallas. Contra ellos se alza el poderío del Muro de Mercurio y la fuerza de la Legio Ignatum. Como rivales ancestrales, los dioses de ambas legiones se adentran en la batalla mientras que en el interior de las murallas unos pocos individuos desesperados buscan un modo de contrarrestar la influencia maligna de la disformidad. Por toda Terra, los guerreros y viajeros extraviados recorren terrenos baldíos y jardines siniestros en camino a su hogar y a un futuro desconocido.

Navigating Imaginary Worlds Mark J.P. Wolf, 2025-06-16 This edited anthology offers a collection of essays that each look at various types of wayfinding. Together they explore a variety of wayfinding tools and techniques and their applications as well as ways of keeping track of the construction of worlds too. With transmedial worlds extending over multiple media, multiple authors, and sometimes even multiple decades of creation, a wealth of different issues can arise. Worlds need to direct audience members into how to organize them conceptually. Edited by Mark J.P. Wolf and featuring contributions from a distinguished set of authors from interdisciplinary backgrounds, this book enriches the theory, history, and practice of world building through the exploration of navigation. The essays have many overlapping concerns and together they provide the reader with a range of discussions regarding wayfinding and the many ways it intersects with world building and world experiencing activities. Thus, rather than just analyzing worlds themselves, the anthology also asks the reader to consider analyzing the act of world building itself. This collection will be of interest to students and scholars in a variety of fields including Subcreation Studies, Transmedia Studies, Popular Culture, Comparative Media Studies, Video Game Studies, Film Studies, and Interdisciplinary Literary Studies.

Many have fallen to bring this moment about; their names a legacy of glory. These are their tales. A galaxy burns and brother turns on brother as the conflict brought about by a beloved son's betrayal reaches its fateful end. The Warmaster Horus has triumphed. His massive fleet at last nears Terra and the patriarchal Throne of his hated father. Many have fallen to bring this moment about; their tales are the ashes upon which the Heresy was born and prospered. Others have played their own small parts, drops in an ocean of war and blood. None of it matters. Terra looks to the skies as it raises its defenses. Armies muster, heroes raise their
