**Sticks and Stones May Break My Bones But Words Can Kill My Spirit** Joyce Schneider, 2011-05 Do you repeatedly struggle with the same issues Do you feel defeated discouraged and depressed Do you feel like there is no hope left If so Joyce Schneider wants you to know that God wants something more for you In her newest book she uncovers some of the struggles that we all have but rarely feel comfortable sharing Joyce uses her real life experiences to show others that they are not alone We have been taught through the ages that words cannot hurt us but that is a lie Words do hurt They take root inside of us and change our perception of ourselves and others But Jesus wants to weed that out In this confessional and inspirational guide Joyce shows us how he can step in remove that veil of deception and allow us to see clearly once more You too can be set free from the lies that get stuck inside Male or female young or old you will be encouraged by this heartfelt story in *Sticks and Stones May Break My Bones but Words Can Kill My Spirit* *America and Its Guns* James E. Atwood, 2012-06-01 James Atwood contends that the thirty thousand gun deaths America suffers every year cannot be understood apart from our national myth that God has appointed America as the trustee of the civilization of the world and even Christ's light to the nations Because these purposes are noble and we are supposedly a good and trustworthy people violence is sometimes required and gives license to individuals to carry open or concealed weapons which save lives and can even be redemptive Atwood an avid hunter cautions that an absolute trust in guns and violence morphs easily into idolatry Having spent thirty six years as a Presbyterian pastor fighting against the easy access to firearms one of which took the life of a friend he uses his unique experience and his biblical and theological understanding to graphically portray the impact guns have on our society He documents how Americans have been deceived into believing that the tools of violence whether they take the form of advanced military technology or a handgun in the bedside stand will provide security He closes with a wake up call to the faith community which he says is America's best hope to unmask the extremism of the Gun Empire
