**Cyndi's List** Cyndi Howells,1999 REF Ths is a multi title review The titles include Cyndi s List 880 pg Instant Information on the Internet 117 pg and Instant Information on the Internet 86 pg Although Internet directories such as Howells s wildly popular site [www.cyndislist.com](http://www.cyndislist.com) offer well organized access to genealogy sites online many researchers still want to plan searches with a book in hand Now Howells Netting Your Ancestors has created a print version with some exceptions of her web site Including over 100

categories and over 40 000 links most with brief annotations this book has something for nearly any genealogy related topic that comes to mind Schaefer s Instant Information series offers pared down compilations of basic information search sites Her book on the United States categorizes web sites by state and includes vital records information sites prominent research libraries and societies indexes and databases and general information sites In the British Isles book Schaefer discusses British counties and expands her lists to include major sites for churches and the Celtic language as well as a place name index All three books provide easy access to useful genealogy sites While Howells strives for exhaustive coverage of genealogy links Schaefer offers very general site lists Though Howells s book comes with a solid price tag the purchase of each new and planned title in Schaefer s series would quickly rack up the same price or more Still for those who want only a brief focused guide Schaefer s books are an economical alternative Elaine M Kuhn Allen Cty P L Fort Wayne IN
