Studies In Discipleship:

Studies in Discipleship Bill Gaunson,1980 **Studies in Discipleship** Pathway Press,1975 **Deep Discipleship** J.T. English,2020-09-29 Everyone is being disciplined The question is what is discipling us The majority of Christians today are being disciplined by popular media flashy events and folk theology because churches have neglected their responsibility to make disciples But the church is not a secondary platform in the mission of God it is the primary platform God uses to grow people into the image of Jesus Therefore as church leaders it is our primary responsibility to establish environments and relationships where people can be trained grow and be sent as disciples There are three indispensable elements of discipleship Learning to participate in the biblical story the Bible Growing in our confession of who God is and who we are theology Regularly participating in private and corporate intentional action spiritual disciplines Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey Slavery, Gender, Truth, and Power in Luke-Acts and Other Ancient Narratives Christy Cobb,2019-04-25 This book examines slavery and gender through a feminist reading of narratives including female slaves in the Gospel of Luke the Acts of the Apostles and early Christian texts Through the literary theory of Mikhail Bakhtin the voices of three enslaved female characters the female slave who questions Peter in Luke 22 Rhoda in Acts 12 and the prophesying slave of Acts 16 are placed into dialogue with female slaves found in the Apocryphal Acts ancient novels classical texts and images of enslaved women on funerary monuments Although ancients typically distrusted the words of slaves Christy Cobb argues that female slaves in Luke Acts speak truth to power even though their gender and status suggest that they cannot In this Bakhtinian reading female slaves become truth tellers and their words confirm aspects of Lukan theology This exegetical theoretical and interdisciplinary book is a substantial contribution to conversations about women and slaves in Luke Acts and early Christian literature Spiritual Lessons for Growing Believers Workbook Keith D. Pisani,2016-10-31 Spiritual Lessons for Growing Believers Workbook is a spiritual birth to spiritual maturity high impact interactive fill in the blank study series designed to help Christians grow into mature believers who actively serve Jesus Christ and is suitable for use in any teaching context church services Sunday school small groups Bible studies personal and group devotions Christian schools chapels college and seminary classrooms adult Bible fellowships and elsewhere Spiritual Lessons for Growing Believers Workbook begins with four follow up sessions for new believers continues with two transition studies a baptism class and a membership class covers twenty six topics from A to Z assurance to zeal and includes two training sessions for disciplers Packed with information that leads to transformation the Spiritual Lessons for Growing Believers Workbook includes the content of the author s new believers initial Follow Up book Spiritual Lessons for New Believers and is keyed to the content of the companion book Spiritual Lessons for Growing Believers In addition the author has written a follow up book for children Jesus Loves Me A Follow Up Guide for Children All four discipleship books are available through Westbow Press or the author s website at www.keithpisaniministries.com

the DNA of a Disciple chad lynn,2010-12-17 The DNA of a Disciple is a book about how to be the type of disciple Jesus intended us to be The book conveys with passion and intensity the shortcomings of modern discipleship and communicates a powerful alternative to seeing lives changed The DNA of a Disciple was never intended to be a how to book Instead the author believes that the Life of Christ is transferred when someone decides to be like Jesus Written in new language and with a new perspective The DNA of a Disciple will challenge you to look at discipleship through a brand new eyes *Essentials of Discipleship* Francis M. Cosgrove,1980 Practical help on how to live as Christ s disciple **Becoming a Disciple of Jesus** John Sandoz,2018-10-15 Christian growth is a deeply personal and spiritual choice that recognizes our unending need for Jesus not only as Savior but also as LORD over our lives That recognition sometimes comes after losing the things that seemed to matter most and humbly acknowledging before God that we need a new life and not just a better version of the old life which produced little of lasting value Discipleship is not and never can be a self improvement program because self is actually a big part of the problem Transforming our lives is not something we can do because even on our best days our sin nature opposes such transformation As the Apostle Paul said For the good that I wish I do not do but I practice the very evil that I do not wish Rom 7 19 Our only hope for real change resides in Jesus assurance that what is impossible for man is possible for God Becoming a Disciple of Jesus provides a year in Christian growth composed of fifty two weekly lessons that develop both our vertical relationship with God and our horizontal relationships with others through the works of faith which God has prepared for us Each work of faith is accomplished by our belief in the Holy Spirit s ability to transform us into instruments of God s peace and love Over time this truth becomes both our heart s desire and a glorious reward as we gain freedom from the negative thought patterns and behaviors that previously governed our lives Paradoxically admitting the things we struggled with to God unleashes His healing presence at a deep heart level As beings created in His image we all resemble partially completed sculptures God the Master Sculptor removes our undesirable traits so we can become complete as the persons He made us to be able to use our God given gifts to glorify Him as shining examples of His love

Johannine Discipleship as a Covenant Relationship Rekha M. Chennattu,2006 This work presents a first class study of Old Testament covenant theology which breaks new ground in Johannine scholarship It provides a detailed interpretation of the discipleship narratives and discourses in John s Gospel It investigates Old Testament discipleship motifs sets the Johannine community within the Jewish world and argues that according to the Gospel of John the relationship with God that had defined Israel as a people of God also defines the disciples of Jesus **The Discipleship of the Women in the Gospel According to Matthew** Baby Parambi,2003 Despite being rooted in a mostly Jewish traditional background patriarchal androcentric and misogynous in nature Matthew places women as the sole witnesses to the death burial and resurrection of

Jesus Their continuous following of Jesus and their constant presence with him especially at the cross and the tomb meets with the discipleship demands in the Gospel and therefore attribute to them certain discipleship functions in the first Gospel In the absence of the Twelve Matthew portrays these women as models of discipleship Through an exegetical theological rhetorical approach the author critically evaluates a wide range of important contemporary literature on the topic exegeting the Scriptural passages with care and diligence with deep respect for the word of God and maintains an irenic and critical sense in a field of study that is often polemical and given to exaggerated and uncritical exegesis [Bible Studies in Outline](#) Georgina Anne Gollock,1912 [Studies in the Scriptures: The time is at hand](#) Charles Taze Russell,1915 [Subject Index of Modern Books Acquired](#) British Library,1906 [Following the Lamb](#) Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost [Planting Missional Churches](#) Ed Stetzer,2006-05-01 [Planting Missional Churches](#) is an instruction book for planting biblically faithful and culturally relevant churches It addresses the how to and why issues of church planting by providing practical guidance through all the phases of a church plant while taking a missional look at existing and emerging cultures [Discipleship: the scheme of Christianity, by the author of 'The King and the kingdom'](#).
