The Scrutiny Ashish Kumbhare, This book is an investigation of the proofs of God's existence in both science and religion For centuries now scientists have been trying to find a science surrounding religion But in this book we will find the science that is coded within religion This book starts with the Great city of Alexandria and then progresses to Italy finally ending up in Space On our journey of decoding the science in religion we will encounter many popular legends such as the likes of Leonardo Da Vinci Michelangelo Raphael Newton and then make our final stop at the Modern Einstein Stephen Hawking The Scrutiny decodes a number of mathematical equations from religious books as well as ancient civilizations It starts with man and ends up at the great gods It answers the most prominent questions of all time where do we come from Where are we going While finding our answers we get to decode the famous Mona Lisa The School of Athens and find our answers in the codex of God During our journey we will also unmask some famous hoaxes such as that of the legendary William Shakespeare and the famous legend of Fatima The Scrutiny concludes with The Theory of Everything A theory that can satisfactorily explain God with the help of both Science and Religion So buckle up We are all in for one crazy ride

A Portrait of Brazil in the Twentieth Century MARK J. CURRAN, 2013-09-27 A Portrait of Brazil in the Twentieth Century The Universe of the Literatura de Cordel is Currans most recent project The book in effect is the English version of a major work published in Brazil in Portuguese in 2011 Retrato do Brasil em Cordel Curran returns to Portrait for several reasons primary is his strong feeling that the amazingly broad view of Brazil in the twentieth century seen in the thousands of booklets in verse from the Cordel represents a major aspect of Brazilian culture in that century Second because there are many important bodies of folk popular verse in the Western tradition all distant relatives of the Greek and Roman epic traditions and because Brazils folk popular poetry is one among them And because a very large reading public interested in such things does not know

Portuguese this volume in English strives to make the tradition available to such readers Finally the book in two volumes represents the cumulative efforts of research and writing of Professor Curran in a career of forty three years of scholarly research and teaching It reveals a unique portrait of Brazil and its people informative instructive and mainly entertaining
