The Xmas Factor Jonathan Meres,2012-11-08 Hilarious collection of jokes poems lists top tens and Christmas craziness to make Christmas go with a bang

Analyzing Christmas in Film Lauren Rosewarne,2017-12-06 Film plays a vital role in the celebration of Christmas For decades it has taught audiences about what the celebration of the season looks like from the decorations to the costumes and to the expected snowy weather as well as mirrors our own festivities back to us Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real life domestic celebrations watching such titles has become for many families every bit as important as tree trimming and leaving cookies out for Santa These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday Rather than settling the what is a Christmas film debate indeed *Die Hard* and *Lethal Weapon* are discussed within *Analyzing Christmas in Film* Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears While most Christmas films are secular religion makes many cameos appearing through Nativity references storylines involving spiritual rebirth the framing of Santa as a Christ like figure and the all importance of family be it the Holy family or just those gathered around the dining table Also explored are popular narratives involving battles with stress and melancholy single parents and Christmas martyrs visits from ghosts and angels big cities and small towns break ups and make ups and the ticking clock of mortality Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture society and faith as well as sex roles consumerism aesthetics and aspiration

Organizing Christmas Philip Hancock,2023-08-11 *Organizing Christmas* is an exploration of the organizational character of Christmas Taking as its starting point the view that Christmas initially achieved popularity due to its potential to promote social cohesion and political stability this book both charts and scrutinizes its global emergence as the year's preeminent economic and organizational event Combining historical narrative original interviews and social scientific research and theories it tells the story of how Christmas has come to dominate the festival landscape and how it emerged as an integral component of the global evolution of contemporary social and economic relations From the pre Christian celebrations and politics of the turning of the calendar year through the power games of Elizabethan England and the wily reinvention of the season by industrious Victorians to today's huge economic and logistical exercise that relies on everything from global supply chains to the domestic division of labour *Organizing Christmas* demonstrates how the season exemplifies the spirit and practices of industrial and now post industrial modernity As well as documenting this fact however *Organizing Christmas* also critically interrogates what has become a vast festive industrial complex From low paid factory workers in Yiwu to Santa Claus performers in Kingston readers are given a chance to consider what the cost of this global festival might be and whether it is a price worth paying Drawing on intellectual resources ranging from Adorno and Horkheimer's classic critique of the culture industry thorough B hme's analysis of the sociomaterial production of atmospheres to Bloch's principle of hope it paints a

picture of Christmas as a profoundly important if deeply contested historical cultural and most significantly organizational phenomenon Aimed at students and academics in Organization Studies Cultural Studies and the Sociology of Work and Employment as well as the general reader interested in the festive season Organizing Christmas offers a differing perspective on a subject so familiar and yet so often overlooked

Watching the Wheels Wayne Wood, 2003-07 A collection of wisdom humor and tasteless remarks from Vanderbilt University's House Organ magazine Every morning when I would leave for work he would give me the saddest look he could muster If you know anything about beagles you know that this is the canine equivalent of the death scene from Camille When a beagle wants to look sad he can roll his big brown droopy eyes up at you and pull his ears back and you will do anything to make him happier In fact many beagles earn top commissions in the sales field by giving customers that sad look until they crack and buy whatever the beagle is selling I'll buy anything the customers cry throwing money at the beagle just stop looking at me like that The voice mail mantra Your call is very important to us is always a lie If my call were actually important to you you would answer the phone instead of putting me on hold and playing an orchestral version of the old Buoy's hit Timothy A portion of all profits from the sale of this book goes to the Jade Pasley Patient and Family Assistance Fund of the Vanderbilt Ingram Cancer Center
