Quantification Anna Szabolcsi, 2010-01-17 Quantification forms a significant aspect of cross linguistic research into both sentence structure and meaning This book surveys research in quantification starting with the foundational work in the 1970s It paints a vivid picture of generalized quantifiers and Boolean semantics It explains how the discovery of diverse scope behaviour in the 1990s transformed the view of quantification and how the study of the internal composition of quantifiers has become central in recent years It presents different approaches to the same problems and links modern logic and formal semantics to advances in generative syntax A unique feature of the book is that it systematically brings cross linguistic data to bear on the theoretical issues covering French German Dutch Hungarian Russian Japanese Telugu Dravidian and Shupamem Grassfield Bantu and points to formal semantic literature involving quantification in around thirty languages

Religions of India in Practice Donald S. Lopez, Jr., 2020-07-21 The inaugural volume of Princeton Readings in Religions brings together the work of thirty scholars of the religions of India in a new anthology designed to reshape the ways in which the religious traditions of India are understood The book contains translations of forty five works most of which have never before been available in a Western language Many of these highlight types of discourse especially ritual manuals folktales and oral narratives and voices vernacular esoteric domestic and female that have not been sufficiently represented in previous anthologies and standard accounts of Indian religions The selections are drawn from ancient texts medieval manuscripts modern pamphlets and contemporary fieldwork in rural and urban India They represent every region in South Asia and include Hindu Buddhist Jain Sikh and Muslim materials Some are written texts reflecting elite concerns while others are transcriptions of oral narratives told by nonliterate peasants Some texts are addressed to a public and pan Indian audience others to a limited coterie of initiates in an esoteric sect and still others are intended for a few women gathered in the courtyard for a household ceremony The editor has reinforced this diversity by arranging the selections within several overarching themes and categories of discourse hymns rituals narratives and religious interactions and encourages us to make our own connections
