Clever Couponing Vanessa Johnson, 2014-09-11 Are you a mother who is looking for a way to reduce your family's expenses while still being able to get everything that you need? Do you want to find an easy way to do this? Or are you a problematic shopper who wants to know how to cope with your dreadful spending habits? The answers to these questions and more can be found in *Clever Couponing*, a book written by the internationally acclaimed author, expert budgeter, and mother of two, Vanessa Johnson. If you think you're spending too much money on groceries, you are not alone. A lot of shoppers, especially moms, have gone through the same problems too. Wouldn't it be nice to learn how you can save more money while still being able to buy everything that your family needs? *Clever Couponing* is an all-in-one book that showcases many budgeting strategies, including the use of coupons that can help the readers establish huge savings. In Johnson's book, you will be able to learn the basics on how to start couponing, learn the 4 types of couponers, know the 10 commandments of couponing, know the best ways to overcome the couponing problems that you may encounter, know the 4 key factors that contribute to effective grocery shopping for your family, learn the step-by-step process of setting up your family's budget, know how to maintain a budget plan to ultimately establish great savings. That's not all! The book covers more topics, examples, scenarios, and sheets, and many more. It is not a book that pushes its readers to instantly delve into couponing; rather, it is a book that educates the readers about the correlation between couponing, budgeting, and saving, and how these can help families live a healthier and more comfortable life. This book is perfect for the price-conscious mothers who are curious of what benefits couponing and budgeting can bring to their lives. If you want to be a smart mom and an efficient couponer, this book is exactly what you need.
