Slick And The Dead:

The Slick and the Dead Philip Cleife,1974-01-01 *The Upside-down Year* Marc C. Crump,2007 *The Black Prairie Archives* Karina Vernon,2020-02-19 The Black Prairie Archives An Anthology recovers a new regional archive of black prairie literature and includes writing that ranges from work by nineteenth century black fur traders and pioneers all of it published here for the first time to contemporary writing of the twenty first century This anthology establishes a new black prairie literary tradition and transforms inherited understandings of what prairie literature looks and sounds like It collects varied and unique work by writers who were both conscious and unconscious of themselves as black writers or as prairie people Their letters recipes oral literature autobiographies rap and poetry provide vivid glimpses into the reality of their lived experiences and give meaning to them The book includes introductory notes for each writer in non specialist language and notes to assist readers in their engagement with the literature This archive and its supporting text offer new scholarly and pedagogical possibilities by expanding the nation s and the region s archives They enrich our understanding of black Canada by bringing to light the prairies black histories cultures and presences U5: the Truth Behind the Lives J. B. Torres,2008-05-29 This book is written to provide insight on the lives of a group of inner city youths known as U 5 Hopefully it will provide enough of the insight needed to truly understand the type of lives they led the way they were perceived by others and the repercussions of events set in motion by the actions of individuals within the group Furthermore it will focus on two individuals within the group Daniel Gomez and Rubin Fernandez aka Soni and Slick the mystery surrounding their deaths and the repercussions that affected various members of U 5 up until this very day It will take a look at how graffiti writers were are portrayed by what we call society and go into what I believe are inconsistencies depicted within the book *Subway Lives* It will take you into the heart of Bushwick Brooklyn where it all started and twenty years later today It will follow them into some of their many escapades some incomprehensible to believe yet true You ll get a true sense of the type of people they were as friends family and professionals tell us a little about them Then you will be introduced to U 5 as not only a crew but as a concept A concept in which the U represents United and friendship is more important than fame This story is not just about the antics of these U 5 individuals No it s much more than that Its about having to let go of the past and not just carrying on but accepting it And that could be harder than anything you ve ever had to face The mirror doesnt lie does it What we believe is not necessarily reality but whats reflected in the mirror is truth like it or not A wise man once said that between two men there are always three sides to a story the first mans side the second mans side and the truth Upon deciding to finish this book the words of Dave Severn a successful entrepreneur came to mind He said Fear is the feeling you feel before you do something great For myself finishing this book will undoubtedly be one of my greater achievements And you that are holding this book are about to read a great story **Character Sketches of Romance, Fiction and the Drama** Ebenezer Cobham Brewer,1892 **The Slick and the Dead** J.
