**Weighing Interpretations in Science, Biblical Studies, and Life** Matthew B. Joss, 2023-06-05 *Conflicting narratives beat upon us everywhere in politics religion and even science One person's conspiracy theory seems to be another's self evident truth But how are we to decide what makes one interpretation of the world better than another Weighing Interpretations in Science Biblical Studies and Life The Quest for the Best Explanation* argues that theories and interpretations are trying to explain the world and hence the better theory is the one that better explains the data of the world But this raises questions What is an explanation How are we to rank them What kind of inference allows us to find and reason about these explanations This book provides a full description of this Inference to Best Explanation IBE and shows how IBE is at work in science Biblical studies and even everyday life Matthew B Joss offers a new method of diagramming and weighing explanatory arguments for competing interpretations In particular the book focuses on Biblical studies showing how this method can help in assessing and dialoging about interpretations walking through case studies in detail Finally the book concludes by gesturing towards some theological implications of IBE Namely IBE lends itself to a bottom up way of theologizing that is consistent with core Christian doctrines
