**Summits Move with the Tide** Mei-mei Berssenbrugge,1982      **Asian American Poets** Guiyou Huang,2002-05-30

Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet s major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet s critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography      **Asian American Playwrights** Miles

Liu,2002-05-30 In the late nineteenth century Asian American drama made its debut with the spotlight firmly on the lives and struggles of Asians in North America rather than on the cultures and traditions of the Asian homeland Today Asian American playwrights continue to challenge the limitations of established theatrical conventions and direct popular attention toward issues and experiences that might otherwise be ignored or marginalized While Asian American literature came into full bloom in the last 25 years Asian American drama has yet to receive the kind of critical attention it warrants This reference book serves as a versatile vehicle for exploring the field of Asian American drama from its recorded conception to its present stage Included are alphabetically arranged entries for 52 Asian American dramatists of origins from India Pakistan Vietnam the Philippines Japan Korea and China Each entry includes relevant biographical information that contextualizes the works of a playwright an interpretive description of selected plays that spotlights recurring themes and plots a summary of the playwright s critical reception and a bibliography of primary and secondary works The entries are written by expert contributors and reflect the ethnic diversity of the Asian American community The volume closes with a selected general bibliography which includes anthologies scholarly studies and periodicals      *Contemporary American Poetry* Lloyd M.

Asian North American Identities Eleanor Ty, Donald C. Goellnicht, 2004-04-29 The nine essays in Asian North American Identities explore how Asian North Americans are no longer caught between worlds of the old and the new the east and the west and the south and the north Moving beyond national and diasporic models of ethnic identity to focus on the individual feelings and experiences of those who are not part of a dominant white majority the essays collected here draw from a wide range of sources including novels art photography poetry cinema theatre and popular culture The book illustrates how Asian North Americans are developing new ways of seeing and thinking about themselves by eluding imposed identities and creating spaces that offer alternative sites from which to speak and imagine Contributors are Jeanne Yu Mei Chiu Patricia Chu Rocio G Davis Donald C Goellnicht Karlyn Koh Josephine Lee Leilani Nishime Caroline Rody Jeffrey J Santa Ana Malini Johar Schueller and Eleanor Ty
