[With a Portrait.] William Graham SUMNER,Maurice Rea Davie,1940 **Economists and Higher Learning in the Nineteenth Century** William J. Barber,1993-01-01 Many economists who struggled to establish a secure place for their discipline in American universities in the nineteenth century made significant contributions to reshaping American academic life in general Yet they were often at war among themselves as they sought to define the mission and methods of economics in an era of social and intellectual ferment This volume represents the contribution of American scholars to a multinational research project on the institutionalization of political economy in European Japanese and North American universities It includes case studies of divergent experiences of fourteen institutions that figured prominently in the molding of American culture William Mary The University of Virginia South Carolina College Brown Harvard Yale Columbia Johns Hopkins The University of Pennsylvania The University of Chicago The University of California Stanford The University of Wisconsin and the Massachusetts Institute of Technology These are supplemented in an essay by A W Coats on the turbulent early decades of the American Economic Association In this new introduction Barber takes note of the fact that in a somewhat different context and with a modified rhetoric the same issues present themselves today as they did one hundred years earlier And this in turn introduces some troubling concerns about just what sort of science economics is and was The volume as a whole can be read as reflections on the troubled status of the discipline of economics as it now exists in American university and research contexts It provides fresh perspectives on the development of social science and economic thought and on the history of higher education in the United States As such it will be of very great interest to professional economists students of higher education and those for whom the life of American ideas holds a central place **The Black Diamond** ,1925 The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1928 **The Pomona College Quarterly Magazine** ,1919 **Proceedings of the Massachusetts Historical Society** Massachusetts Historical Society,1930 **Roads to Cibola** New Mexico State Highway Commission,New Mexico. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
