Tall And Short Sizes:

Human Body Size and the Laws of Scaling Thomas T. Samaras, 2007 Several books have been published on scaling in biology and its ramifications in the animal kingdom However none has specifically examined the multifaceted effects of how changes in human height create disproportionately larger changes in weight surface area strength and other physiological parameters Yet the impact of these non linear effects on individual humans as well as our world s environment is enormous Since increasing human body size has widespread ramifications this book presents findings on the human species and its ecological niche its community and how the species interacts with its environment Thus a few chapters provide an ecological overview of how increasing human body size relates to human evolution fitness health survival and the environment This book provides a unique purview of the laws of scaling on human performance health longevity and the environment

Numerous examples from various research disciplines are used to illustrate the impact of increasing body size on many aspects of human enterprises including work output athletics and intellectual performance

Developing Language Concepts Bridget Burrows, 2017-07-05 This book is a valuable resource for all speech language therapists teachers and support assistants working with children in schools and community clinics It provides practical step by step photocopiable programmes to help with specific language concepts such as amount colour size time and shape The programmes are intended for speech language therapists to copy and send to the school where staff can deliver the programmes although they can be used by the therapist themselves Clearly set out the exercises can be personalised for each child and are graded so that the therapist can select and copy the sheets relevant to the child s needs Each programme introduces the concept teaches it and then checks to see if the child understands it There is also practical advice on setting up therapy programmes in schools such as setting up appointments working in the school with children staff and parents covering letters to send with the programme how to write programmes and many other useful tips
