## To Her Master Born:

*I was Born a Slave* Yuval Taylor, 1999 The narratives in this volume include tales of Africa pirate ships wild animals witches a slave who had ten owners and another who led a rebellion that killed fifty five whites the kidnapping of a white woman and her rescue by a slave the nightmarish tortures of the infamous Mr Gooch the tragicomic experiences of a pair of white slaves and the story of the original Uncle Tom *Their Master's Voice* Chris Woodall, 2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet's contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God's messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits
