To Sleep:

Effective Guide on How to Sleep Well Every Day Vitaliv AS, David Ericson, Stop If you have been suffering from sleepless nights then this is the book you've been looking for. Effective Guide on How to Sleep Well Every Day is a new book based on hundreds of case studies from what the author calls Super Sleepers. People in this group all share one thing in common: they sleep exceptionally well despite common setbacks like Shift Work, Old Age, Frequent Travelling, Having young children, High Stress Jobs Like CEO's, Doctors, and Firemen. If any of the above describes you, then read on. In the pages of this guidebook, you will discover:

- What to do if you ever wake up at night page 41
- 6 specific ways to reduce stress instantly, at least one is GUARANTEED to work for you page 62
- How to use Yogurt for improved sleep all night page 90
- A basic psychology shortcut that will rewire your brain for sleep page 75
- Six types of drinks that calm you down and induce sleep naturally page 92
- 3 tips for great sleep for older adults page 105
- One special breathing exercise that induces sleep instantly page 70
- 3 hacks for better sleep for night shift workers page 107
- A simple technique for breastfeeding mothers that regenerates energy with no effort page 103

You could call these simple secrets recipes for success or hacks because they will give you little shortcuts to get exactly what you want out of sleep. Why Choose This Book? Effective Guide on How to Sleep Well Every Day is not like other books that give you advice on some parts of the sleep process but never the full picture. In this book, you will get the full story. All the way from what kind of pillow works best to how your diet impacts your sleep. For example, here's what you'll discover about your bedroom setup:

- How to prevent your mattress from giving you stress because it does page 50
- How to improve your bed with bricks and why it works page 51
- The best and worst materials for great sleep page 52
- The 1000 year old miracle pillow used by pharaohs that fixes your back pain page 54
- The 4 essential oil fragrances to use to banish stress every time you walk into your bedroom page 56
- What to do if climate forces you to sleep in a humid arid room page 59
- How the timing of your meals can change your sleep effectiveness page 79

How To Sleep While Travelling: Getting enough quality sleep while traveling can be especially difficult, and that's why we have dedicated an entire section to this topic. In just a few pages, you will discover how to:

- The one thing you can bring from your bedroom that will almost guarantee the perfect sleep in any hotel page 110
- The one button Hotel TV Trick that will ensure a better, deeper sleep page 110
- 2 simple tools that double your chances of sleep on a plane page 110
- What to avoid on a plane for better, sounder sleep, hint: this is very counterintuitive page 110

In The Author's Own Words: It has taken me years of research and months of writing to put this book together. I've included techniques that I've never seen posted elsewhere, so even if you've read every other book out there, you're bound to discover at least one new thing about your sleep. For example:

- How to make your dreams more vivid, memorable, and interesting with this one entertaining tool page 66
- Three types of meditation that have been proven to improve sleep page 68
- A specific way to breathe to test your levels of anxiety and reduce them at the same time page 72
- The arch enemy food of sleep, hint: it's NOT caffeine page 80
- 5 delicious foods to eat tonight for better sleep page 86
