**To Win His Heart** Rebecca Winters,2010-09-01 Olivia Duchess has found the man of her dreams and has decided to use The Husband Fund her father left her to make Luc de Falcon her groom All she has to do is persuade him to fall in love with her and propose Easy Except Luc believes his brother is in love with Olivia and so is determined to stay well away All Olivia knows is that her plan is really backfiring Surely there is a way for her to win her Frenchman's heart **His heart to win, by Curtis Yorke** Curtis Yorke,Susan Richmond Lee,1893 **How to Win His Heart** Anthony Corzen,2015-08-18 You've given your heart to someone and you know he's the man for you With each look he tugs at your emotions and a warm gesture from him has the power to make your day But try as you might you feel as if you love him far more than he does you and that's a painful position to be in Perhaps he's just not there yet or if you're already in long term relationship perhaps he just doesn't love you with the same degree of passion that he once did and that's also a harsh truth to face The good news is that you have the power to do something about it and this book was written to help guide you through the steps As long as you're willing to put in a little effort and turn a critical eye to your relationship you can actually influence his emotions and rev up his feelings So if you're ready to capture his heart and inflame his love for you like never before becoming the sole object of his emotions and desires then let's get started **The Oxford Shakespeare: the complete works of W.
