Skull Gate Robin W. Bailey, **Gate's Wild** Christopher Carroll Mooney, 2007-03-09 THE CONSPERICY BEGINS Zazoo was just your average exotic dancer trying to make a living when one night all hell broke loose in her bar Bullets flew and blood splattered the floor When it was all over before the smoke had even settled Zazoo found she had become a hostage Gate was a down on his luck bounty hunter just trying to capture a FTA Failure to appear who just so happened to be in one of his favorite strip joints one evening Only problem was someone else wanted the guy dead What else could Gate do but try to preserve the life of his cash cow A stripper a group of bounty hunters a lawless assassin a insane drug leader and a police detective are about to find their lives crossing each others paths The fate of Mars and the people who dwell on it s harsh landscape depend on their decision both good and bad St. Mark James Vernon Bartlet, 1922 The Tibetan Book of the Dead Robert Thurman, 1993-12-01 The most accessible and informative version of the Buddhist classic available in English with instruction in meditation illuminating commentary and guidance in the practical use of the prayers The so called Tibetan Book of the Dead has been renowned for centuries as a cornerstone of Buddhist wisdom and religious thought More recently it has become highly influential in the Western world for its psychological insights into the processes of death and dying and what they can teach us about the ways we live our lives It has also been found to be helpful in the grieving process by people who have recently lost their loved ones Composed in the eighth century C E it is intended to prepare the soul for the trials and transformations of the afterworld Its profound message is that the art of dying is as important as the art of living Drawing on Tibetan spiritual traditions it shows us the workings of the mind in its various manifestations terrifying and comforting wrathful and beautiful which appear more clearly after death in the consciousness of the deceased By recognizing these manifestations we can attain a state of enlightenment both in this existence and in the existence to come This authoritative translation preserves the form and spirit of the original and was prepared especially for Western readers by Robert A F Thurman one of the most prominent Tibetan scholars in America and a close associate of His Holiness the Dalai Lama s **Alliance with Evil** Jean-Pierre Plouffe, 2015-07-30 In the misty beginning of the medieval times Duke Melan acquires a splendid red haired slave from a Persian merchant But before he can get to her she mysteriously disappears from a locked cell at the top of a tower He believes that witchcraft was involved in her disappearance The Duke wants her back at all costs He travels to the Mausoleum of Riach in Transylvania where he surrenders his soul to the Evil Spirit in return for otherworldly powers Melan strikes Albalux the peaceful neighboring Kingdom and thanks to his newly acquired powers he slaughters all the males within a day The nations of the time react The Allies besiege Melan s Black Stone Fortress Soon the Church Crusaders and La Chamza a Brotherhood of witches and wizards are drawn into the battle Unlikely mysterious otherworldly alliances are made Victories and losses are the results of never heard before tactics and strategies Can the Allies overcome the powers made available to Melan by the Evil Spirit Beyond Pan-Asianism Tansen Sen, Brian

Tsui,2020-11-01 Within Asia the period from 1840s to 1960s had witnessed the rise and decline of Pax Britannica the growth of multiple and often competing anti colonial movements and the entrenchment of the nation state system Beyond Pan Asianism seeks to demonstrate the complex interactions between China India and their neighbouring societies against this background of imperialism and nationalist resistance The contributors to this volume from India the West and the Chinese speaking world cover a tremendous breadth of figures including novelists soldiers intelligence officers archivists among others by deploying published and archival materials in multiple Asian and Western languages This volume also attempts to answer the question of how China India connectedness in the modern period should be narrated Instead of providing one definite answer it engages with prevailing and past frameworks notably Pan Asianism and China India as Method with an aim to provoke further discussions on how histories of China India and by extension the non Western world can be conceptualized
