*Wage Slave's Escape* Michael Ballard,2015-01-06 Hi there My name is Bettina Masters It is now the winter of 2212 I realize for you my story may seem strange and almost entertaining All the same in the spirit of all seriousness I should tell you this is not the reason for my writing this The reason I must set these events down as part of the archival record is a pressing urgency to narrate what happened to me and to the people I knew over three crucial days in 2207 which profoundly changed my life as well as all of yours

**Slave Corp** Alex Geiger,2004-12-01 **Corporate Accountability under Socio-Economic Rights** Jernej Letnar Čerňič,2018-08-14 In recent decades corporations have increasingly accepted that they have obligations to respect the socio economic rights of individuals whose rights to livelihoods education food health housing and water are affected by the actions of corporations on a daily basis Despite this it is often difficult for victims to bring corporations to court for violations of their socio economic rights Domestic constitutional systems provide at best fragile and limited protections against adverse corporate activities while international responses have been lacking in creating obligations and accountability for corporations under socio economic rights The urgency of bolstering corporate accountability for socio economic rights is therefore apparent In light of this this book asks whether corporations are required to observe socio economic rights and if they are accountable for any violations In doing so it identifies and analyzes the theoretical foundations and the existing scope of corporate accountability arising from socio economic rights at both national and international levels Through careful analysis Jernej Letnar čerňič exposes the stark need for greater clarity in the obligations and accountability of corporations advocating a normative framework for corporate accountability for socio economic rights in national legal orders which builds on existing mechanisms Long Past Slavery Catherine A.

Stewart,2016-02-05 From 1936 to 1939 the New Deal s Federal Writers Project collected life stories from more than 2 300 former African American slaves These narratives are now widely used as a source to understand the lived experience of those who made the transition from slavery to freedom But in this examination of the project and its legacy Catherine A Stewart shows it was the product of competing visions of the past as ex slaves memories of bondage emancipation and life as freedpeople were used to craft arguments for and against full inclusion of African Americans in society Stewart demonstrates how project administrators such as the folklorist John Lomax white and black interviewers including Zora Neale Hurston and the ex slaves themselves fought to shape understandings of black identity She reveals that some influential project employees were also members of the United Daughters of the Confederacy intent on memorializing the Old South Stewart places ex slaves at the center of debates over black citizenship to illuminate African Americans struggle to redefine their past as well as their future in the face of formidable opposition By shedding new light on a critically important episode in the history of race remembrance and the legacy of slavery in the United States Stewart compels readers to rethink a prominent archive used to construct that history *To Stand and Fight Together* Steve Pitt,2008-02-08 In 1812 a 67 year old black United

Empire Loyalist named Richard Pierpoint helped raise a corps of Coloured Men to stand and fight together against the Americans who were threatening to invade the tiny British colony of Upper Canada Pierpoint's unique fighting unit would not only see service throughout the War of 1812 it would also be the first colonial military unit reactivated to quash the Rebellion of 1837 It would go on to serve as a police force keeping the peace among the competing Irish immigrant gangs during the construction of the Welland Canal Pierpoint and the Coloured Corps are the central focus but the sidebars featuring fascinating facts about the rise and fall of slavery in North America and the state of African Canadians in early Canada provide an entertaining and informative supplement Among other tidbits readers will find out why Good Queen Bess launched the British slave industry and how Scottish pineapples are connected to the American Declaration of Independence
