

SLOAN RULES

ALFRED P. SLOAN AND THE TRIUMPH OF

GENERAL MOTORS

DAVID FARBER

Sloan Rules

CH Cherryholmes

Sloan Rules:

Sloan Rules David Farber,2005-02-15 Alfred P Sloan Jr became the president of General Motors in 1923 and stepped down as its CEO in 1946 During this time he led GM past the Ford Motor Company and on to international business triumph by virtue of his brilliant managerial practices and his insights into the new consumer economy he and GM helped to produce Bill Gates has said that Sloan s 1964 management tome *My Years with General Motors* is probably the best book to read if you want to read only one book about business And if you want to read only one book about Sloan that book should be historian David Farber s *Sloan Rules* Here for the first time is a study of both the difficult man and the pathbreaking executive *Sloan Rules* reveals the GM genius as not only a driven manager of men machines money and markets but also a passionate and not always wise participant in the great events of his day Sloan for example reviled Franklin Roosevelt and the New Deal he firmly believed that politicians government bureaucrats and union leaders knew next to nothing about the workings of the new consumer economy and he did his best to stop them from intervening in the private enterprise system He was instrumental in transforming GM from the country s largest producer of cars into the mainstay of America s Arsenal of Democracy during World War II after the war he bet GM s future on renewed American prosperity and helped lead the country into a period of economic abundance Through his business genius his sometimes myopic social vision and his vast fortune Sloan was an architect of the corporate dominated global society we live in today David Farber s story of America s first corporate genius is biography of the highest order a portrait of an extraordinarily compelling and skillful man who shaped his era and ours *Alfred Sloan's Way* New Word City,2010-02-01 He invented corporate management discovered modern marketing and led General Motors to industrial dominance for half a century But Alfred P Sloan portrayed himself as a one dimensional workaholic Don t take him at his word but learn from his example Specifically he questioned conventional wisdom made his company his first duty understood that integrity and character matter more than charisma and showmanship and welcomed disagreement He was an undisputed titan of industry He outsmarted the legendary Henry Ford invented the modern system of marketing created the very concept of corporate management and built General Motors into the world s most successful industrial enterprise Sloan was an intensely private man whose deep friendships flashes of wit personal generosity and vast public philanthropy all invite closer inspection and then defy it If there are no full scale biographies of him that s the way he wanted it He burned most of his personal papers and after he died GM destroyed most of what remained Childless formal and reserved he had no time for parties culture sports or literature He was Mr Sloan even to close friends But fleeting glints of a more human man keep breaking through the gray flannel and if GM had kept following Sloan s real principles it might not have gone bankrupt Let s see what we can learn from his story New Word City publishers of digital originals contributes 10 percent of its profits to literacy causes [Catalogue of Printed Books](#) British Museum,1896 *Are We There Yet?* Dan Albert,2019-06-11 Dan Albert has a way of bringing automotive history to life

Jason Fogelson Forbes The plain old fashioned human driven car built the American economy and helped shape our democratic creed Driver s ed made teenagers into citizens auto repair made boys into men For nearly a century car culture has triumphed But have we finally reached the end of the road Fewer young people are learning to drive Ride hailing is replacing car buying and with electrification a long and noble tradition of amateur car repair will soon come to an end When a robot takes over the driver s seat what s to become of us Are We There Yet carries us from horseless buggies to superhighways and like any good road trip it s an adventure so fun you won t even notice how much you ve learned along the way **Everybody Ought to Be Rich** David Farber,2013-04-18 The extraordinary life and times of a colorful capitalist who invented the idea of consumer credit *Auto Mania* Tom McCarthy,2007-01-01 The twentieth century American experience with the automobile has much to tell us about the relationship between consumer capitalism and the environment Tom McCarthy contends In *Auto Mania* he presents the first environmental history of the automobile that shows how consumer desire and manufacturer decisions created impacts across the product lifecycle from raw material extraction to manufacturing to consumer use to disposal From the provocative public antics of young millionaires who owned the first cars early in the twentieth century to the SUV craze of the 1990s *Auto Mania* explores developments that touched the environment Along the way McCarthy examines how Henry Ford s fetish for waste reduction tempered the environmental impacts of Model T mass production how Elvis Presley s widely shared postwar desire for Cadillacs made matters worse how the 1970s energy crisis hurt small cars and why baby boomers ignored worries about global warming McCarthy shows that problems were recognized early The difficulty was addressing them a matter less of doing scientific research and educating the public than implementing solutions through America s market economy and democratic government Consumer and producer interests have rarely aligned in helpful ways and automakers and consumers have made powerful opponents of regulation The result has been a mixed record of environmental reform with troubling prospects for the future Lloyd's List Law Reports ,1927 The Rules of Practice in the Civil Courts of Record of the State of Texas John Sayles,1910 *Leadership Lessons: Alfred Sloan* Will Peters,2017-12-20 He invented corporate management pioneered modern marketing and led General Motors to industrial dominance for half a century But Alfred P Sloan portrayed himself as a one dimensional workaholic Don t take him at his word this brief eBook argues but learn from his example Specifically he questioned conventional wisdom made his company his first duty understood that integrity and character matter more than charisma and showmanship and welcomed disagreement **British Museum Catalogue of printed Books** ,1896 **The Code of Civil Procedure of North Carolina** North Carolina,Walter Clark,1892 *The Pacific Reporter* ,1919 *The Idler* Jerome Klapka Jerome,Robert Barr,Arthur Lawrence,Sidney Herbert Sime,1899 The Idler Magazine Jerome Klapka Jerome,Robert Barr,1899 **The Idler** ,1899 **The Parliamentary Debates** Great Britain.
