## **Strange Armadillo:**

**The Strange Armadillo** Wyatt Blassingame,1983-01-01 Discusses the characteristics and habits of the nine banded armadillo of the United States and its particular connection to leprosy research Also presents facts about the nineteen other armadillo species and their cousins the sloths and the anteaters **Armadillos** Judith Jango-Cohen,2004 Describes the physical characteristics behavior and habitat of armadillos *The Wild Mammals of Missouri* Charles Walsh Schwartz,Elizabeth Reeder Schwartz,2001 Prepared by two of Missouri s most distinguished conservationists *The Wild Mammals of Missouri* has been the definitive guide to mammals of this state for over forty years Now the University of Missouri Press is pleased to release an updated edition revised by Elizabeth R Schwartz reflecting the changes in Missouri s mammalian fauna and including the latest taxonomic revisions Maintaining the original s successful format and the language that made the book accessible to both professional and lay readers the revised edition incorporates throughout new knowledge of the various species of mammals of Missouri Most notable is the addition of a new resident species the nine banded armadillo Several other taxonomic and distributional changes are reflected and the range maps have been revised to show significant changes Charles Schwartz s meticulously rendered drawings capture the spirit of his subjects while remaining technically accurate These drawings range from fully rendered portraits to illustrations of dentition and skulls tracks and other identifying characteristics to vignettes showing the mammals engaged in characteristic behaviors Also included in this volume are discussions of all biological and ecological aspects of the mammals including distribution and abundance habitat and home habits food reproduction adversities faced and conservation and management concerns The Schwartzes lifelong dedication to state and national conservation and their vast biological knowledge are apparent throughout the pages of this attractive reference guide People of all ages and backgrounds will find *The Wild Mammals of Missouri* an invaluable guide to the study of Missouri s mammals **How to Write Book (ENHANCED eBook)** Ellen Hajek,1999-03-01 Includes subjects such as selecting a topic gathering and organizing information outlining proofreading and using description to make writing sparkle Riverwoods Charles Kruvad,2018-09-05 In this stunning photographic tribute to one of Texas most intriguing and perhaps least understood rivers *Riverwoods Exploring the Wild Neches* takes readers on a unique adventure along and sometimes into the wild and murky waters of the Neches River The Neches flows through the heart of East Texas past primordial bottomland forests timber and oil industries and elusive denizens humans alligators bobcats and herons Although the river and its watershed have inspired authors artists and photographers it can also seem impenetrable intimidating or just plain unsightly to outsiders Spending many days canoeing the river and nights camping on the banks Charles Kruvad was drawn to the complicated allure of the Neches river and woods Once common across the southeastern United States the Neches bottomland forests exemplify an ecosystem that has almost passed out of existence Thad Sitton an East Texas native and noted historian opens the book with an introduction to the historical cultural

and ecological significance of the Neches River He takes readers through time from early Native American inhabitants to Spanish and Anglo settlers to present day East Texans He also describes the environmental battles fought over preserving parts of the river woodlands surrounding the waterway and wildlife that have depended on the river for sustenance Through beautiful photographs and stirring recollections of his trip along the river Charles Krueger weaves a rare portrait of one of the last wild rivers in Texas

**The Runt Oak** Raymond Pilarczyk,2025-10-07 The little oak stood alone in the middle of its yard a little runt of an oak In many respects one could say it drew a strange correlation to the little family living in the old Southern house next to it The little family consisted of a young boy and his mother and most of all a little dog a little runt of a dog The dog s name was Sam and on one fateful night all which was little would become something grand What lay within would far exceed what seemed apparent on the outside Sam would take a leap of faith into a place plagued by psychological disorders of insecurity tormented by a manipulative force seeking control A troubled realm a troubled family finding resolution in a place as far away as it is close all under the roots where our biggest hopes and fears reside

**Yasmin, The Special Elf, And Her Friends** Ines Gramlich,2026-03-11 This is the story of Yasmin the special elf with three wings who bravely follows her path and never gives up even when things get tough In the chapter The Elf and the Snake Yasmin helps her friend rebuild his home which was destroyed by the dragon Theobald On her journey through Gnome Land the elf meets new and old friends and stands up for them With courage confidence in her own strength humor and her great love of nature Yasmin masters each challenge The story is about friendship trust tolerance and helpfulness values that are always and everywhere valid as well as love of nature and the effort to preserve it for future generations

Spanish Word Histories And Mysteries Editors of the American Heritage Di,2007-11-14 Most people know that words like burrito and quesadilla come from Spanish but there are many more English words that we would never suspect are Spanish until we look closely Did you know that the words breeze and hammock come from Spanish The jerky in beef jerky for example is from Spanish charqu and the English verb vamoose is from the expression Vamos which means Let s go in Spanish

Spanish Word Histories and Mysteries English Words that Come from Spanish tells the fascinating stories behind 200 English words from Spanish Every sphere of English vocabulary has been enriched by Spanish from names for animals alligator coyote and mosquito to words for weather hurricane and tornado This book also explores the Spanish origin of some of the colorful expressions of the Old West bonanza loco mustang ranch and ten gallon hat Of course the book digs into the many words for different foods that come from Spanish not only the obvious ones such as salsa and taco but also potato tomato caramel vanilla and most important chocolate

Photographs and line drawings enliven the pages and illustrate the history of the words
