Everybody says they are **Through Time** FESTUS ARINZE ALIBA,2012-06-26 THROUGH TIME is an anthology of poems

A compact of two anthologies a Hidden through time b Drops through time in one book The poem honours the intrinsic nature of man extrinsic nature of the world and the challenges of time to making man live out above the norms of life There is no under judgment about the fact that births of transparent green tangibles are consequences of conception and only the green coating of a mind knows the white substance that feeds the soul of man to make progenies In it nature is ceased to function and we all are glad FESTUS ARINZE ALIBA in this book exposes the need for man to have softer air to breathe from and giving awareness about the hopeful green to achieve Thus the book aims at making man moist and wet in Love and Life to cause him to be evaporative enough to cause rain in seasons and to make other men of substance have spherical increment on radius

The Cadillac Poems of Steven Forris Kimbrough Steven Forris Kimbrough, 2015-03-17 Out of the experience of living in Europe as a youth a tragic accident a lengthy hospitalization and loss of a leg The Cadillac Poems of Steven Forris Kimbrough offers a collection of the poetry of the late Steven Forris Kimbrough With a mastery of multiple languages a deep love of nature an earnest concern for the poor and marginalized especially Native Americans a desire to love and be loved and a deep faith his poetry is filled with images metaphors and a keen understanding of human nature and emotion with which everyone can

identify Born in Alabama in 1958 Kimbrough lived with his family in North Carolina and New Jersey and then moved with them in 1970 to Germany where his father sang opera and taught at Bonn University He learned German very quickly while attending a Gymnasium high school equivalent and studied Italian as well Through his extensive travels in Europe he developed a deep interest in diverse peoples languages and cultures which is reflected in his poetry While he began writing poetry as a child this skill blossomed in Germany writing poems in English German and French The narrative in The Cadillac Poems of Steven Forris Kimbrough by his father S T Kimbrough Jr weaves together genuine inspiring and moving poetry that will undoubtedly stir the hearts and minds of countless readers as they too journey into an unknown future Nothing is hidden here and nothing is excused The result is a poetry that lingers in the mind as powerfully as wood smoke or the sight of the first snowdrops in spring or the sound of a cadence of music heard in the heart long after the music has stopped I commend these poems to all who believe as I do in the power of poetry to give form to the hopes and longings of human experience and to all who find in that form a heightened perception of life itself Richard Watson Emeritus Professor of English University of Durham Durham UK
