To The End:

Get to the End Michael Hickey,2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world **The Adventure to the End of the World** Theo
