Digital and Media Management Tarun Jindal, 2025-02-20 Digital and Media Management serves as a vital guide through today's rapidly shifting media landscape where traditional and digital platforms converge. This book provides an in depth look at strategies, challenges and opportunities in the evolving world of media management, offering a comprehensive toolkit for professionals and newcomers alike. We begin with core concepts, tracing the evolution of media management and highlighting essential principles and challenges faced by media managers. Covering traditional sectors like print, broadcast and film, readers gain insights into the business models, editorial processes and distribution strategies that drive these industries. As the focus shifts to digital media, we explore social media, content creation and digital marketing. Practical examples and case studies illustrate how media organizations can harness digital tools to engage audiences, monetize content and maintain a competitive edge. Emphasizing content management systems (CMS), we provide actionable guidance for streamlining digital workflows and optimizing content strategies. With a dedicated section on strategic management, readers also learn to develop adaptable strategies, navigate legal considerations and harness technology innovations like data analytics and AI. Digital and Media Management equips readers with the insights and strategies necessary to succeed in the modern media landscape.

Springer Handbook of Augmented Reality Andrew Yeh Ching Nee, Soh Khim Ong, 2023-01-01 The Springer Handbook of Augmented Reality presents a comprehensive and authoritative guide to augmented reality (AR) technology, its numerous applications and its intersection with emerging technologies. This book traces the history of AR from its early development, discussing the fundamentals of AR and its associated science. The handbook begins by presenting the development of AR over the last few years, mentioning the key pioneers and important milestones.
