

PIERS ANTHONY

# SPLIT INFINITY

BOOK ONE: THE APPRENTICE ADEPT

# Split Infinity Apprentice Adept Paperback

**Piers Anthony**

### **Split Infinity Apprentice Adept Paperback:**

*Split Infinity* Piers Anthony, 2012-02-14 On the technological decadent world of Proton someone was trying to destroy Stile serf and master Gamesman His only escape lay through a mysterious curtain revealed by a loving robot Beyond the curtain lay Phaze a world totally ruled by magic There his first encounter was with an amulet that turned into a demon determined to choke him to death And there he soon learned his alternate self had already been murdered by sorcery and he was due to be the next victim Know thyself the infallible Oracle told him But first he must save himself as he shuttled between worlds On Proton his fate depended on winning the great Games On Phaze he could survive only by mastering magic And if he used any magic at all the werewolf and the unicorn who were his only friends were determined to kill him at once

Blue Adept Piers Anthony, 1983-01-01 In Book Two of the epic adventure that began in SPLIT INFINITY Stile discovers life on Proton and Phaze is getting more difficult On Proton he s a serf trying to prove his right to exist by competing in the Great Games And on Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery On both worlds someone was trying to assassinate him And as if that weren t enough he has to win the love of Lady Blue fight a dragon discover the ultimate weapon and of course seek out the all powerful Citizen who was trying to kill him It br gt THE APPRENTICE ADEPT SERIES It br gt Book One SPLIT INFINITY It br gt Book Two BLUE ADEPT It br gt Book Three JUXTAPOSITION

*Juxtaposition* Piers Anthony, 2012-02-14 In this brilliantly satisfying conclusion to the epic adventure begun in Split Infinity and continued in Blue Adept Piers Anthony again proves himself a consummate master of both science fiction and fantasy Stile had problems two whole worlds of problems in fact On Proton a world of future science his murder was averted only by the help of a lovely robot who sent him through an invisible curtain to Phaze an alternate world ruled by magic There he found he was the double of the sorcerer the Blue Adept who had been mysteriously murdered And the assassin was after Stile To survive Stile had to master magic fight a dragon win the friendship of a lady unicorn locate his enemy among the paranoid Adepts and return out of Phaze to win the Great Games on Proton After that he was ready to face the real problems The infallible Oracle was suddenly involved in the conspiracy against him The two worlds were out of balance and heading for disaster Stile was somehow supposed to take over the job of saving them or go down to total destruction with all he loved he had to act and act quickly with no idea of what he was supposed to do

*Castle Roogna* Piers Anthony, 2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient

Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old

**Wielding a Red Sword** Piers Anthony,2012-02-15 Here in a fourth complete in itself novel of the Incarnations of Immortality Piers Anthony again combines fascinating magic with a gripping complex struggle between good and evil Mym was a dutiful son but his father the Rajah interfered in his love life once too often Rather than wed without love he took up the Red Sword symbol of office of the Incarnation of War At first he thought his efforts could ameliorate some of the suffering caused by Earth s constant petty wars But he found that behind all his involvement were the clever traps of Satan When seeming mischance placed him in Hell Mym organized a great rebellion among the Damned And Satan seemed to capitulate But free again Mym learned that Satan had been busy stirring up riots and war Now it seemed things had gone too far and Satan must surely win There was only one desperate chance

**Bearing an Hourglass** Piers Anthony,2012-02-14 Like *On a Pale Horse* this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemingly all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on

*On a Pale Horse* Piers Anthony,2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader s mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution

*Being a Green Mother* Piers Anthony,2012-02-14 Orb had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb s life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her

**Xanth** Piers Anthony,2002 Twenty five years ago Piers Anthony fascinated us with the creation of Xanth a

wondrous land where magic rules supreme Since then the dazzling world of Xanth has delighted millions of readers Now here are the first three novels of this classic series to enthrall a whole new generation A SPELL FOR CHAMELEON Winner of the British Fantasy Award for Best Novel of the Year Though every citizen of Xanth has a special spell only he or she can cast Bink of North Village has no magic But the Good Magician Humphrey and Beauregard the genie insist that Bink indeed is capable of enchantment magic more powerful than the King himself or even the evil magician Trent Now if only Bink can find his magic before he is forced into exile THE SOURCE OF MAGIC Curious about the source of Xanth s magic the King sends Bink on a daring quest for truth From the beginning Bink and his companions are harried by an unseen creature determined to thwart them But when some allies become enemies it will take all Bink s ingenuity and luck to prevail on his mission which takes an unexpectedly defiant turn CASTLE ROOGNA Millie had been a ghost for eight hundred years But now restored by the magic of Xanth she is again a beautiful living woman She can have any man she desires except one Jonathan the zombie To help Millie young Magician Dor embarks on a journey for the elixir that will restore Jonathan to full life an adventure that will take him to the past where his intentions are thwarted by a surprising encounter Discover a magical world of dazzling imagination

**Now Read on** Mandy Hicken,Raymond John Prytherch,1994 Keen on adventure stories but have run out of favourite authors Want to try gothic romances but are not sure where to start Know that your favourite author writes spy stories but also writes science fiction under another as yet unknown name Now Read On will solve all these problems It is a guide to popular modern fiction divided up into writing genres such as historical novels macabre stories and science fiction Each author entry within these novel types gives a brief life history outlines the writer s style and lists all the relevant published titles In addition a Now Read list indicates authors who write in a similar vein Much had changed since the first edition New writers have established themselves as genres writers some have switched from one area of writing to another or have even added a new interest to an old one Around 450 titles have been added to authors listed in the first edition particularly in Family Stories and Police Work 60 new names have been selected and one new genre Women Detectives has been created All this is backed up by an author index and a list of characters that reappear in related stories and series The winners of the relevant book prizes over the last 25 years are also included This book will prove invaluable to readers booksellers and library staff for anyone who wants to expand their fiction reading interests or advise others on the next good read

*A Spell for Chameleon* Piers Anthony,1987-03-12 BEST NOVEL OF THE YEAR BRITISH FANTASY SOCIETY Discover the magical beginning of Piers Anthony s enthralling Xanth series Xanth was the enchanted land where magic ruled where every citizen had a special spell only he could cast It was a land of centaurs and dragons and basilisks For Bink of North Village however Xanth was no fairy tale He alone had no magic And unless he got some and got some fast he would be exiled Forever But the Good Magician Humfrey was convinced that Bink did indeed have magic In fact both Beauregard the genie and the magic wall chart insisted that Bink had magic Magic as powerful as any possessed by the King or by Good

Magician Humfrey or even by the Evil Magician Trent Be that as it may no one could fathom the nature of Bink's very special magic Bink was in despair This was even worse than having no magic at all and he would still be exiled Thus begins Piers Anthony's enthralling Xanth series **Fantasy Newsletter**, 1983 *What Do I Read Next?* Neil Barron, Wayne Barton, Steven A. Stilwell, 1990-10 *Science Fiction & Fantasy Book Review Annual*, 1989 The Senior High School Paperback Collection John Thomas Gillespie, 1986 Provides an annotated list of more than four thousand paperbacks including fiction poetry and books on religion art crafts sports science music history and education The Junior High School Paperback Collection John Thomas Gillespie, 1985 St. James Guide to Science Fiction Writers Jay P. Pederson, 1996 Concise discussions of the lives and principal works of prominent science fiction authors written by subject experts

*Contemporary Popular Writers* Dave Mote, 1997 Included are authors both living and dead who were active in the early 1960s or later and remain popular in the mid 1990s representing several fiction and nonfiction categories including poets short story writers biographers and other niche authors Page xi Science Fiction and Fantasy Literature, 1975-1991 R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's *Science Fiction and Fantasy Literature 1700-1974* Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR **The Caterpillar's Question** Piers Anthony, Philip José Farmer, 1992 a fantastic saga that stretches from the lonely highways of modern day America to the ultimate battle for the soul of the universe Jacket flap
