**Southern Invincibility** Wiley Sword,2007-04-01 Southern pride the notion that the South s character distinguishes it from the rest of the country had a profound impact on how and why Confederates fought the Civil War and continued to mold their psyche after they had been defeated In *Southern Invincibility* award winning historian Wiley Sword traces the roots of the South s belief in its own superiority and examines the ways in which that conviction contributed to the war effort even when it became clear that the South would not win Informed by thorough research *Southern Invincibility* is the historical investigation of a psychology that continues to define the South *The History, Civil, Political and Military, of the Southern Rebellion* Orville James Victor,1861 **Myth and Southern History: The Old South** Patrick Gerster,Nicholas Cords,1989 Many historical myths are actually false yet psychologically true The contributors to this volume see myth and reality as complementary elements in the historical record *Myth and Southern History* is as much a commentary on southern historiography as it is on the viability of myth in the historical process Volume 2 *The New South* offers new perspectives on the North s role in southern mythology the so called Savage South twentieth century black and white southern women and the changes that distinguish the late twentieth century South from that of the Civil War era *Besieged* Russell W. Blount,2015-09-09 A particular strength of Blount s confident narrative is its measured thorough explanation of the events Blount s research is strong and his style lively a genuinely enjoyable battle book Blue their defenders were a ragtag band of soldiers holding on to fading strength determined to protect the city against all odds Their poignant defense of what was not only a battlefield but also their home front is as tragic as it was courageous Blount provides an eyewitness account that brings us into Mobile in the last months of the war and allows a glimpse of what it must have been like for both civilians and the soldiers charged with defending them **The Woman in Battle** Loreta Janeta Velazquez,1876 [The ^ACivil War Dead and American Modernity](#) Ian Finseth,2018-01-02 *The Civil War Dead and American Modernity* offers a fundamental rethinking of the cultural importance of the American Civil War dead *The Great Task Remaining Before Us* Paul Alan Cimbala,Randall M. Tardy,1872 **Courage Under Fire** Wiley Sword,2007-11-13 Through diaries and letter written on the battlefield in camps and on the deathbeds of soldiers from north and south Wiley Sword writes about more than the Civil War He writes of the complex

working of a soldier's mind coming to grips with life and death in a time when his country was at war with itself On Aug 3 1864 Illinois Lieutenant Frank Curtiss was ordered by his commander to take the 127th Illinois Infantry into a charge of the fortified Rebel lines He knew certain death was in store for him and his men He also knew little tactical superiority would be gained for lives lost and refused to do it Confederate Brigadier General Patrick Cleburne one of the South's greatest military tacticians left diaries showing he was striving to refine his methods to save lives while winning battles And then there is the Rhode Island Regiment's Major Sullivan Ballou who in 1861 on the eve of the battle of Bull Run who wrote of courage and dedication to his cause Wiley Sword constructs a picture of the military mind that still resonates in today's wars *The Life and Death of Jefferson Davis* A.
