An Analysis of Ryanair's Corporate Strategy Miriam Mennen,2010-03-19 Essay from the year 2005 in the subject Business economics Offline Marketing and Online Marketing grade 72 % A University of Sunderland course Global Corporate Strategy language English abstract Ryanair was founded in 1985 as a family business that originally provided full service conventional scheduled airline services between Ireland and the UK The airline started to compete within the confines of the existing industry by trying to

steal customers from their rivals especially the state monopoly carrier Air Lingus outlined by Chan Kim and Ren e Mauborgne 2004 as Bloody or Red Ocean Strategy Ryanair seemed to follow a me too strategy according to Osborne K 2005 they tried to be all things to all people Even they started restructuring their strategy was not enough differentiated and their cost advantage was too low to be profitable Ryanair then created a competitive advantage through the alignment of the three components of business systems 1 Creating superior value for their customers outside perspective 2 Supplying their superior value adding activities in an effective and efficient manner which jointly form the Value Chain 3 Possessing over the resource base required to perform the value adding activities inside perspective According to Porter 1987 corporate strategy is what makes the corporate whole add up to more than the sum of its business unit parts It is seen to be concerned with the overall purpose and scope of the organisation and to meet the expectations of major stakeholders All aspects of Ryanair s value chain are important to the company and their shareholders as Ryanair s decisions add value to both The following report outlines the three perspectives of shaping Ryanair s business system The value creation dimension of Ryanair s business model will be outlined considering the theories of Porter and the more recent authors Kim and Mauborgne 2004 Further the linkages in the airline s value chain and their resource base will be analysed considering Hamel and Prahalad s 1990 core competency model inside out approach In section 2 the future challenges of the airline are considered Ryanair s strengths and weaknesses will be analysed internal value creating factors such as assets skills or resources to consider how the airline can create alignment to its opportunities and threats external factors An stronger outside in approach for Ryanair s future corporate strategy will be considered applying Porter s five forces model placing the market the competition and the customer at the starting point of the strategy process

Strategy From The Inside Out Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strategy From The Inside Out has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strategy From The Inside Out has opened up a world of possibilities. Downloading Strategy From The Inside Out provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strategy From The Inside Out has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strategy From The Inside Out. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strategy From The Inside Out. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strategy From The Inside Out, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strategy From The Inside Out has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
