Street Soldier:

Street Soldier Joseph Marshall,2004 Street Soldier 2 Silhouettes,2012-06-01 Prince Perkins has learned one important thing in his twenty years Show no love and have no mercy for people who don't have your back or for those known specifically as backstabbers This time around he's decided to leave behind his street soldier status taking on a new reputation as a street hustler By any means necessary Prince vows to keep his pockets fat with cash and to stay away from the ones who continuously bring controversy his way That includes his poverty stricken mother who refuses to depart from a man who has bruised and battered her for years Eventually Prince has to step in to a volatile situation but the footsteps that he leaves may prove to be too deep Silhouettes are newcomers on the literary scene They have a passion for writing shown by their capabilities to light the pages of Street Soldier 2 with fire Residing in St Louis Missouri they are design specialists with original works brought to you by 4M2H Designs More literary projects are in the making Understanding African American Rhetoric Ronald L. Jackson II, Elaine B. Richardson,2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture's values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **Block Legend Paper by the Ton Iii** Kevin Green,2020-11-05 This collection of songs that I bring to you the reader is the first step in expressing my vision of life through the eyes of me the author I've been working for many years coming up with inspiration and music to share with you the readers and the world hoping to inspire and entertain I express my way of life hoping to leave the reader with a greater understanding of what I see through my own eyes I am extremely pleased with the results from these many years of hard work and dedication I am truly honored and blessed to share with you my vision Thank you Sincerely yours Kevin Green KG **Breaking the Soul of a Folk** Jonathan Burey, Shirley Burey,2012-09-26 This book play was written to give those who seek their purpose in society some hope to cope in a world that's so unevenly divided Life becomes difficult for those who understand their footprints must be left in the sands to remain hopeful We wrote Breaking the Soul of a Folk from our own experience This book play gives a face to the homeless and

explains why we as a civilized nation should care We added our poetry and illustrations to give our readers a fuller picture of the concepts that we are trying to convey Finally we want our readers to UNDERSTAND that equality is for every woman and man as we continue to fight until leaders set their standards and qualifications to advance all races regardless of their previous economic condition So we included our play entitled In Search of My Soul to show our readers why we feel that we must stop designing standards to exclude the homeless and stop allowing programs funding that treat them as if they are criminals What our ancestor wrote earlier still holds true today This is that the homeless deserve the right to be treated with dignity and be afforded the right to seek their individual purpose You see even the homeless will have to come and be judged for one thing is for certain and that s DEATH which is everyone s FINAL CURTAIN

Street Soldier Edward J. Mackenzie Jr., Phyllis Karas, Ross Muscato, 2010-04-20 Featuring all the trappings of a Scorsese film this first hand account from one of Whitey Bulger s enforcers is one of the best insider accounts of life inside the mob Washington Post During the 1980s Edward J MacKenzie Jr Eddie Mac was a drug dealer and enforcer who would do just about anything for Whitey Bulger the notorious head of Boston s Winter Hill Gang In this compelling eyewitness account the first from a Bulger insider Eddie Mac delivers the goods on his one time boss and on such former associates as Stephen The Rifleman Flemmi and turncoat FBI agent John Connolly Eddie Mac provides a window onto a world rarely glimpsed by those on the outside Street Soldier is also a story of the search for family for acceptance for respect loyalty and love Abandoned by his parents at the age of four MacKenzie became a ward of the state of Massachusetts suffered physical and sexual abuse in the foster care system and eventually drifted into a life of crime and Bulger s orbit The Eddie Mac who emerges in these pages is complex An enforcer who was also a kick boxing and Golden Gloves champion a womanizer who fought for custody of his daughters a tenth grade dropout living on the streets who went on as an adult to earn a college degree in three years a man who lived by the strict code of loyalty to the mob but set up a sting operation that would net one of the largest hauls of cocaine ever seized Eddie s is a harsh story but it tells us something important about the darker corners of our world Street Soldier is as disturbing and fascinating as a crime scene as heart stopping as a bar fight and at times as darkly comic as Quentin Tarantino s Pulp Fiction or Martin Scorsese s Goodfellas

Last Orgy of the Divine Hermit Mark Leyner, 2021-01-19 A brilliant and utterly original new novel from Mark Leyner about a father and his intense and devout relationship with his daughter and with alcohol An anthropologist and his daughter travel to Kermunkachunk the capitol of Chalazia to conduct research for an ethnography on the Chalazian Mafia Faction a splinter group of the Chalazian Children s Theater The book takes place over the course of a night at the Bar Pulpo Kermunkachunk s 1 spoken word karaoke bar where conversations are actually being read from multiple karaoke screens arrayed around the barroom Moreover it s Thursday Father Daughter Nite when the bar is frequented by actual fathers and

daughters as well as couples cosplaying fathers and daughters Last Orgy of the Divine Hermit is a book about the deep pleasures of reading and drinking the tumultuous reign of a cabal of mystic mobsters and of course the transcendent love of a father for his daughter

War of the Bloods in My Veins DaShaun "Jiwe" Morris,2009-01-27 By turns harrowing moving and ultimately redemptive this is a war story a war that rages out of control on the streets of the United States claiming the lives of our loved ones and neighbors In this memoir complete with child soldiers unspeakable violence and eventual salvation we witness the journey of an East Coast member of the notorious Bloods gang coming to terms with the lost boy he was and the transformation into the man he wants to become Unlike the child warriors of Mozambique and Sierra Leone gang members and the wars they wage are the United States homegrown nightmare Lacking protection support or any alternatives Dashaun Morris is forced into battle for the first time at age eleven in the streets of Phoenix when a friend's older brothers put him in a car filled with 40s and weed smoke put a gun in his hands then make him point it at the men on the corner and squeeze the trigger The targets are Crips of course and as Morris writes In the darkness of the streets my childhood is murdered I am reborn a gangster In this haunting violent memoir Morris takes us through an American childhood turned grotesquely inside out In the fourth grade he loses his first friend in a drive by shooting By high school he is the man a champion on the football field by day and a reputable banger on his hood turf by night Living the life of a gang banger Morris does it all drug dealing jacking and continuing the aimless war with rival gang members almost opening fire one night on a close friend a cheerleader as she hangs out with young men he mistakes for Crips He eventually makes it to college on a football scholarship but on the verge of being drafted by the NFL Morris can't escape his gang banging mentality and gets caught up in crimes that snatch away all future hopes Sitting in a prison cell he anticipates the birth of his first child while counting the friends he's buried War of the Bloods in My Veins is part of Morris's redemption a cry to his brothers that gang life is mental illness It is a rare and brutally honest look into the relentless storm of abandonment violence crime death and the endless rush toward the complete and utter self annihilation that plagues the lives of the young soldiers who die every day in our streets

[The Rise of a Street Soldier](#) Cedric Hamilton,2019-01-30 Growing up in Charlotte North Carolina Q worked his way up in the ranks to become the most notorious drug dealer North Carolina has ever seen With his action in the streets he was able to do something that has never been done before he was brought in to join the notorious mob family With over ten thousand soldiers backing him the mob and his soldiers were able to come together to fight the Haitians who tried to take over their turf But a group of white girls has their own little scheme of how to get rich Can Q save the ones he love from the streets that fear him
