Did you ever see a fellow female relative and friend struggle in some point of their lives and wished you could have said or directed them in a better form but found yourself lacking words? Look no more! This book is for you and for every girl who ever had to struggle or deal with a difficult moment in their life. Life is lived in moments. *Letter to My Daughter: Words of wisdom, advice and lessons on life from parents* Theresa Tan, 2020-10-15 They say little girls are made of sugar and spice and everything nice. That innocent baby in the cot will one day become a sister, a mother, a wife, a daughter-in-law. A girl's first and sometimes final teacher is her mother. From first steps to first kiss, marriage to motherhood, mothers are the coach and counsellor in every girl's life. In this collection, curated by veteran editor and writer Theresa Tan, mothers write letters to their daughters who may one day become mothers themselves. At times hilarious, mostly brutally honest, these are no-holds-barred, one-sided conversations between moms and their girls, values to impart, mistakes to learn from, wisdom to pass on, confessions to make, gratitude to express. These letters will make you laugh, weep, and hug your child. Includes notes on lipstick and taking care of your body, how to survive marriage and divorce, stupid things never to do, making hard decisions, living life with passion, raising children, and caring for aging parents, carrying on family traditions, focusing on what truly matters in life. Contributors include Adlena Oh Wong, Amy Poon Ng Choong San, Cynthia Chew, Dawn Lee, Dawn Sim, Janet Goh, Jennifer Heng, Jenny Wee.
