

## The Arr-t of Puzzle Solving

Our band of fearsome pirates has uncovered another chest of booty to be distributed. Being an eclectic group of buccaniers, they've agreed to the following terms, based on their names, jacket colors, and current piratery possessions.

### CLUES:

- Cursebin, who owns a parrot, receives more gold than the wearer of the brown jacket and almost as much gold as the owner of the cerulean jacket.
- Exileur doesn't have the treasure map.
- The least amount of gold goes to the wearer of the violet jacket.
- Blackbeard receives about as much gold as the owner of the hook for a hand, Anonnoise.
- The yellow-jacketed pirate receives more gold than Anonnoise.
- Anonnoise receives about the same amount of gold as the wielder of the cutlass. Darkeye receives about the same gold as the wearer of the violet jacket.
- Awk! Pity the parrot has 300 gold coins! Awk!

	100 gold	200 gold	300 gold	400 gold	500 gold	brown	cerulean	green	violet	yellow	cutlass	eyepatch	hook hand	parrot	treasure map
