**Home in British Working-Class Fiction** Nicola Wilson,2016-03-09 Home in British Working Class Fiction offers a fresh take on British working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen As Nicola Wilson shows the history of the British working classes has often been written from the outside with observers looking into the world of the inhabitants Here Wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background Her book explores the depiction of home as a key emotional and material site in working class writing from the Edwardian period through to the early 1990s Wilson presents new readings of classic texts including The Ragged Trousered Philanthropists Love on the Dole and Saturday Night and Sunday Morning analyzing them alongside works by authors including James Hanley Walter Brierley Lewis Grassic Gibbon Buchi Emecheta Pat Barker James Kelman and the rediscovered ex mill girl novelist Ethel Carnie Holdsworth Wilson s broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home s role in the making and expression of class feeling and identity

**Women, Writing, and the Industrial Revolution** Susan Zlotnick,2001-02-21 Industrialization in the eighteenth and nineteenth centuries inspired deep

fears and divisions throughout England The era's emergent factory system disrupted traditional patterns and familiar ways of life Male laborers feared the loss of meaningful work and status within their communities and families Condemning these transformations Britain's male writers looked longingly to an idealized past Its women writers however were not so pessimistic about the future As Susan Zlotnick argues in *Women Writing and the Industrial Revolution* women writers foresaw in the industrial revolution the prospect of real improvements Zlotnick also examines the poetry and fiction produced by working class men and women She includes texts written by the Chartists the largest laboring class movement in the early nineteenth century as well as those of the dialect tradition the popular commercial literature of the industrial working class after mid century *Dictionary of Labour Biography* K. Gildart, D. Howell, N. Kirk, 2016-04-29 Volume XI of the *Dictionary of Labour Biography* maintains the strengths of earlier contributions to this well established and authoritative series It incorporates many scholarly and original studies of Labour movement figures from a variety of periods and backgrounds together with special notes on related and neglected topics Volume XI pays particular attention to the role and contributions of women and the multi nationality of the British Labour movement Each entry is accompanied by a thorough bibliography and incorporates the most recent historical scholarship in the field *Hidden Hands* Patricia E. Johnson, 2001 Tracing the Victorian crisis over the representation of working class women to the 1842 Parliamentary bluebook on mines with its controversial images of women at work *Hidden Hands* argues that the female industrial worker became even more dangerous to represent than the prostitute or the male radical because she exposed crucial contradictions between the class and gender ideologies of the period and its economic realities Drawing on the recent work of feminist historians Patricia Johnson lays the groundwork for a reinterpretation of Victorian social problem fiction that highlights its treatment of issues that particularly affected working class women sexual harassment the interconnections between domestic ideology and domestic violence their relationships to male dominated working class movements such as Luddism Chartism and unionism and their troubled connection to middle class feminism Uncovering a series of images in Victorian fiction ranging from hot tempered servants and sexually harassed factory girls to working class homemakers pictured as beaten dogs *Hidden Hands* demonstrates that representations of working class women however marginalized or incoherent reveal the very contradictions they are constructed to hide and that the dynamics of these representations have broad implications both for other groups such as middle class women and for the emergence of working class women as writers themselves *Gender at Work in Victorian Culture* Martin A. Danahay, 2005 Martin A Danahay's lucidly argued and accessibly written volume is an important contribution to our understanding of the complex issues surrounding the definition and division of labor in British culture Danahay analyzes novels nonfiction prose poetry and paintings by Dickens Carlyle Ruskin Morris Thomas Hood Richard Redgrave William Bell Scott and Ford Madox Brown as well as photographs from the Munby Collection to examine the ideological contradictions in Victorian representations of men at work **Working-class Stories of the 1890s** P. J.

Keating,2016-06-17 First published in 1971 this collection of short stories set in the East End of London in the 1890s offers a corrective to the view of nineties literature as dominated by aestheticism and shows how many late Victorian writers tried to break with Dickensian models and write of working class life with less moral intrusion and a greater sense of realism The editor has provides a succinct historical and critical introduction a bibliography of further reading notes on the authors and stories and a glossary of slang and phoneticized words This book will be of particular interest to students of Victorian literature

Paz,2006 Featuring the first extended treatment of Charles Dickens s views of the Chartist movement this critical evaluation of Barnaby Rudge considers Dickens s literary output in conjunction with his personality his class identity and his relationships with individual Chartists Challenging the critical consensus of modern literary critics it reevaluates Dickens s writing as part of an ongoing project to warn readers of the dangers of Evangelicalism drawing upon his printed correspondence Victorian periodicals and theatrical adaptations of the novel
