Alexander Pushkin

Yevgeny Onegin:

Eugene Onegin Alexander Pushkin, 1998-09-10 Eugene Onegin is the master work of the poet whom Russians regard as the fountainhead of their literature Set in 1820s imperial Russia Pushkin's novel in verse follows the emotions and destiny of three men Onegin the bored fop Lensky the minor elegiast and a stylized Pushkin himself and the fates and affections of three women Tatyana the provincial beauty her sister Olga and Pushkin's mercurial Muse Engaging full of suspense and varied in tone it also portrays a large cast of other characters and offers the reader many literary philosophical and autobiographical digressions often in a highly satirical vein Eugene Onegin was Pushkin's own favourite work and it shows him attempting to transform himself from a romantic poet into a realistic novelist This new translation seeks to retain both the literal sense and the poetic music of the original and capture the poem's spontaneity and wit The introduction examines several ways of reading the novel and text is richly annotated ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Eugene Onegin Alexander Pushkin, 1999-04-22 Sparked by reading Jim Falen's beautiful English version of Eugene Onegin published in 1992 Douglas Hofstadter presents a more liberal distinctly American colloquial version of the Alexander Pushkin classic Hofstadter's version is entirely in so called Onegin stanzas a unique sonnet form devised by Pushkin with a very intricate rhythmic and rhyming pattern There is also a preface in Onegin stanzas in which Hofstadter talks about Pushkin his novel in verse its form and content the challenges of translating it into English and his deep admiration for Falen's version This work will correspond with Pushkin's 200th anniversary thus it should be a timely and well accepted literary gem

Eugene Onegin Alexander Pushkin, 2020-03-24T23:16:05Z Eugene Onegin is bored bored of the city of parties and of the superficial St Petersburg social scene So when a newly deceased uncle leaves him his country mansion he jumps at the chance to play the rural lord There he meets his new neighbours Lenski a young poet and stark contrast to Onegin's affected nonchalance and Tattiana a dreamy but introverted romantic and triggers a set of events with tragic consequences Serialized over the course of seven years starting in 1825 Pushkin's novel in verse was and is a huge influence on Russian literature Its unusual verse structure combined with Pushkin's own commentary on the social canvas of the time has meant that it has remained relevant and read to this day Eugene Onegin has been translated into many different languages and into many different formats including successful operas and films This book is part of the Standard Ebooks project which produces free public domain ebooks

Yevgeny Onegin Alexander Pushkin, 2017-07-10 The aristocratic Yevgeny Onegin has come into his inheritance leaving the glamour of St Petersburg's social life behind to take up residence at his uncle's country estate Master of the nonchalant bow and proof of the fact that we shine despite our lack of education

the aristocratic Onegin is the very model of a social butterfly a fickle dandy liked by all for his wit and easy ways When the shy and passionate Tatyana falls in love with him Onegin condescendingly rejects her and instead carelessly diverts himself by flirting with her sister Olga with terrible consequences Yevgeny Onegin is one of the if not THE greatest works of all Russian literature and certainly the foundational text and Pushkin the foundational writer who influence all those who came after Tolstoy Dostoevsky Chekhov etc So it s no surprise that this verse novella has drawn so many translators It s a challenge too since verse is always harder to translate than prose Vikram Seth rather than translating Onegin again updated it to the 1980s in San Francisco in his *The Golden Gate* A D P Briggs is arguably the greatest living scholar of Pushkin certainly in the UK and as such he s spent a lifetime thinking about how to translate Pushkin Briggs is an experienced and accomplished translator not only for Pushkin Pushkin s *The Queen of Spades* but for Penguin Classics *War and Peace* *The Resurrection* and others Briggs has not only been thinking about Pushkin for decades he s been working on this translation for nearly as long It s a landmark event in the history of Onegin translations and this edition is accompanied by a thoughtful introduction and translator s note

[Eugene Onegin \(EasyRead Super Large 20pt Edition\)](#) Aleksandr Sergeevich Pushkin,1964 **Eugene Onegin and Other Stories** Aleksandr Sergeevich Pushkin,2005 Alexander Pushkin 1799 1837 is for Russians their greatest writer Eugene Onegin is his greatest work This prose version for the first time gives us a Eugene Onegin that is easy and enjoyable to read **Eugene Onegin** ,2023-11-15 Eugene Onegin a narrative poem by Alexander Pushkin is often regarded as his greatest work and a landmark of Russian literature Written intermittently from 1823 to 1831 the poem is considered a masterpiece for its insightful portrayal of Russian society and its timeless depiction of love regret and the clash of characters and ideals Pushkin s creation of Tatyana the heroine is especially notable as she is viewed as the precursor to many of the compelling Russian women that would later appear in works by writers such as Turgenev Dostoyevsky and Tolstoy This enduring legacy has made Eugene Onegin an essential text for students of Russian literature The current translation draws heavily on Professor Patrick s meticulous prose version which was carefully reviewed for accuracy While earlier English translations have existed such as Lieutenant Colonel Spalding s 1881 edition this translation aims to preserve the natural flow and grace of Pushkin s original Pushkin s rhyme scheme which follows a distinctive fourteen line stanza with a specific rhyme pattern has been adapted here to fit English while maintaining its musicality The diction is intentionally informal to match Pushkin s ease of expression with slight adjustments made for cultural nuances especially in the portrayal of Tatyana s courageous declarations of love This version also integrates Pushkin s original notes and helpful commentary to ensure readers can fully appreciate the depth of the poem This title is part of UC Press s *Voices Revived* program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1937 **EUGENE**

ONEGIN - A NOVEL IN VERSE V.1 Александр Сергеевич Пушкин,1990 Presents Pushkin's poetic Russian classic about the heartless fop who is the object of an ardent young woman's selfless love **Eugene Onegin (Illustrated)** Alexander Pushkin,2017-08-03 Eugene Onegin is a novel in the poems of Alexander Pushkin one of the most significant works of Russian literature In the novel Pushkin shows the dramatic fate of the aristocratic intelligentsia on a wide background of Russian life The plot of the novel is simple and well known a love story is in the center of it In general novel Eugene Onegin reflected the events of the first quarter of the XIX century Pushkin has been working on this novel for more than seven years Pretty illustrations provide you with new impressions from reading this legendary book **Eugene Onegin** Alexander Pushkin,2010-11-14 Eugene Onegin 1823-31 is an eight chapter novel in sonnets The sonnet form employed is of Pushkin's own devising It enables him to modulate between tragic profundity and sparkling humour and from exquisite lyrical descriptions of nature to devastating satire Comparing the Penguin with the Dedalus leaves one in no doubt that whatever Nabokov might have made of it Dedalus's is superior It reads fluently and when you check it off against Nabokov which is for all Wilson's despair frustratingly essential if you don't have any Russian you find far more often not that he has kept to the sense style and technique of the original This is a clever trick to pull off particularly when you consider that Beck is actually a musician an occasional translator from German who learnt Russian precisely in order to translate this work He has not to put it mildly wasted his time Giving himself the freedom to use half rhymes is entirely forgivable and means that he can follow the sharp breathtaking handbrake turns of Pushkin's own mood And now so can you Nick Lezard's paperback of the week in The Guardian Eugene Onegin is a bitter sweet love story It is set in a particular place Russia and in a particular time the 1820s but it is also as is all great literature universal and timeless Pushkin is one of the small sublime company of aesthetic geniuses who can be drawn from any art from any country and any time This fine new translation is wholly welcome Iain Sproat in Scotland on Sunday **Eugene Onegin: Commentary and index** Aleksandr Sergeevich Pushkin,1990 The description for this book Eugene Onegin A Novel in Verse Commentary will be forthcoming Yevgeny Onegin Aleksandr Sergeevich Pushkin,1995 A novel in verse Yevgeny Onegin is the first great Russian work of fiction Pushkin's love story is both earthy and tender drawing with wit on the trials of life the poet saw around him **Eugene Onegin** Aleksandr Sergeevich Pushkin,1964 Evgeniy Onegin Alexander Pushkin,2015-08-16 Roman v stihah Evgenij Onegin stal centralnym sobytiem v literaturnoj zhizni pushkinskoj pory I s teh por shedevr A S Pushkina ne utratil svoej populjarnosti po prezhnemu ljubim i pochitaem millionami chitatelej Pojema prekrasno illjustrirovana **Eugene Onegin** Alexander Pushkin,2021-06-30 In the 1820s Eugene Onegin is a bored St Petersburg dandy whose life consists of balls concerts parties and nothing more Upon the death of a wealthy uncle he inherits a substantial fortune and a landed estate When he moves to the country he strikes up a friendship with his neighbor a starry eyed young poet named Vladimir Lensky Lensky takes Onegin to dine with the family of his fiancée the sociable but rather thoughtless Olga Larina At this meeting he also catches a glimpse of Olga's

sister Tatyana A quiet precocious romantic and the exact opposite of Olga Tatyana becomes intensely drawn to Onegin Soon after she bares her soul to Onegin in a letter professing her love Contrary to her expectations Onegin does not write back When they meet in person he rejects her advances politely but dismissively and condescendingly This famous speech is often referred to as Onegin's Sermon he admits that the letter was touching but says that he would quickly grow bored with marriage and can only offer Tatyana friendship he coldly advises more emotional control in the future lest another man take advantage of her innocence Later Lensky mischievously invites Onegin to Tatyana's name day celebration promising a small gathering with just Tatyana Olga and their parents When Onegin arrives he finds instead a boisterous country ball a rural parody of and contrast to the society balls of St Petersburg of which he has grown tired Onegin is irritated with the guests who gossip about him and Tatyana and with Lensky for persuading him to come He decides to avenge himself by dancing and flirting with Olga Olga is insensitive to her fiancé and apparently attracted to Onegin Earnest and inexperienced Lensky is wounded to the core and challenges Onegin to fight a duel Onegin reluctantly accepts feeling compelled by social convention During the duel Onegin unwillingly kills Lensky Afterwards he quits his country estate traveling abroad to deaden his feelings of remorse Tatyana visits Onegin's mansion where she looks through his books and his notes in the margins and begins to question whether Onegin's character is merely a collage of different literary heroes and if there is in fact no real Onegin Tatyana still brokenhearted by the loss of Onegin is convinced by her parents to live with her aunt in Moscow to find a suitor Several years pass and the scene shifts to St Petersburg Onegin has come to attend the most prominent balls and interact with the leaders of old Russian society He sees the most beautiful woman who captures the attention of all and is central to society's whirl and he realizes that it is the same Tatyana whose love he had once spurned Now she is married to an aged prince a general Upon seeing Tatyana again he becomes obsessed with winning her affection despite her being married His attempts are rebuffed He writes her several letters but receives no reply Eventually Onegin manages to see Tatyana and offers her the opportunity to finally elope after they have become reacquainted She recalls the days when they might have been happy but concludes that that time has passed Onegin repeats his love for her Faltering for a moment she admits that she still loves him but she will not allow him to ruin her and declares her determination to remain faithful to her husband She leaves him regretting his bitter destiny This Ultimate Book Club edition also includes footnotes and discussion questions for the perfect book club gathering This modern minimalist design will look sleek on a coffee table or bookshelf and a great way to get your classic novel collection started

Евгений Онегин Alexander Pushkin, 1994 Outstanding translation of Pushkin's most acclaimed work recounts a tale of post Napoleonic society in which a jaded young aristocrat rejects the love of a country maiden This edition is enhanced by 16 lithographs

Eugene Onegin Aleksandr Pushkin, 2018-07-31 When Vladimir Nabokov's translation of Pushkin's masterpiece Eugene Onegin was first published in 1964 it ignited a storm of controversy that famously resulted in the demise of Nabokov's friendship with critic Edmund Wilson While Wilson derided it

as a disappointment in the New York Review of Books other critics hailed the translation and accompanying commentary as Nabokov's highest achievement Nabokov himself strove to render a literal translation that captured the exact contextual meaning of the original arguing that only this is true translation Nabokov's Eugene Onegin remains the most famous and frequently cited English language version of the most celebrated poem in Russian literature a translation that reflects a lifelong admiration of Pushkin on the part of one of the twentieth century's most brilliant writers Now with a new foreword by Nabokov biographer Brian Boyd this edition brings a classic work of enduring literary interest to a new generation of readers

Eugene Onegin - Pushkin Alexander Pushkin, 2025-02-27 Eugene Onegin is a seminal work that blends poetic elegance with a deep exploration of societal norms unfulfilled aspirations and the complexities of human emotion Alexander Pushkin presents a sharp critique of the aristocratic world of early 19th century Russia illustrating the tension between personal desires and social conventions Through the story of Eugene Onegin a disillusioned and aloof nobleman and Tatyana Larina a sincere and introspective young woman the novel in verse examines themes of love regret and the consequences of missed opportunities Since its publication Eugene Onegin has been celebrated for its lyrical beauty psychological depth and masterful use of language Its exploration of fate free will and the constraints imposed by society has cemented its status as a cornerstone of Russian literature The richly developed characters and their intricate relationships continue to captivate readers offering a poignant reflection on human nature and the passage of time The novel's enduring relevance lies in its ability to convey the universal struggles of love identity and self awareness By intertwining personal emotions with broader societal themes Eugene Onegin invites readers to contemplate the delicate balance between passion and restraint choice and destiny and the inexorable passage of life's defining moments

Alexander Pushkin - Eugene Onegin Alexander Pushkin, 2020-11-18 Aleksandr Pushkin in full Aleksandr Sergeevich Pushkin born May 26 June 6 New Style 1799 Moscow Russia died January 29 February 10 1837 St Petersburg Russian poet novelist dramatist and short story writer he has often been considered his country's greatest poet and the founder of modern Russian literature Pushkin's use of the Russian language is astonishing in its simplicity and profundity and formed the basis of the style of novelists Ivan Turgenev Ivan Goncharov and Leo Tolstoy His novel in verse Yevgeny Onegin was the first Russian work to take contemporary society as its subject and pointed the way to the Russian realistic novel of the mid 19th century Even during his lifetime Pushkin's importance as a great national poet had been recognized by Nikolay Vasilyevich Gogol his successor and pupil and it was his younger contemporary the great Russian critic Vissarion Grigoryevich Belinsky who produced the fullest and deepest critical study of Pushkin's work which still retains much of its relevance To the later classical writers of the 19th century Pushkin the creator of the Russian literary language stood as the cornerstone of Russian literature in Maxim Gorky's words the beginning of beginnings Pushkin has thus become an inseparable part of the literary world of the Russian people He also exerted a profound influence on other aspects of Russian culture most notably in opera Pushkin's work with its nobility of conception

and its emphasis on civic responsibility shown in his command to the poet prophet to fire the hearts of men with his words its life affirming vigour and its confidence in the triumph of reason over prejudice of human charity over slavery and oppression has struck an echo all over the world Translated into all the major languages his works are regarded both as expressing most completely Russian national consciousness and as transcending national barriers Includes a biography of the author

Eugene Oneguine [Onegin] A Romance of Russian Life in Verse Alexander Pushkin,2018-11-03 Eugene Onegin is a novel in verse written by Alexander Pushkin Onegin is considered a classic of Russian literature and its eponymous protagonist has served as the model for a number of Russian literary heroes so called superfluous men It was published in serial form between 1825 and 1832 The first complete edition was published in 1833 and the currently accepted version is based on the 1837 publication Almost the entire work is made up of 389 fourteen line stanzas 5 446 lines in all of iambic tetrameter with the unusual rhyme scheme AbAbCCddEffEgg where the uppercase letters represent feminine rhymes while the lowercase letters represent masculine rhymes This form has come to be known as the Onegin stanza or the Pushkin sonnet The innovative rhyme scheme the natural tone and diction and the economical transparency of presentation all demonstrate the virtuosity which has been instrumental in proclaiming Pushkin as the undisputed master of Russian poetry The story is told by a narrator a lightly fictionalized version of Pushkin s public image whose tone is educated worldly and intimate The narrator digresses at times usually to expand on aspects of this social and intellectual world This narrative style allows for a development of the characters and emphasizes the drama of the plot despite its relative simplicity T he book is admired for the artfulness of its verse narrative as well as for its exploration of life death love ennui convention and passion
