Whatever Happened To Hell

David Baud

Whatever Happened To Hell:

Whatever Happened to Hell? John Blanchard, 1999 Reaction to the paralyzing prospect of everlasting punishment varies from those who dismiss the whole idea because they reject the authority of Scripture to those who seek to soften its impact by reducing hell to manageable proportions What does happen after death What if the traditional pictures of hell are true And if so is there a way in which we can avoid hell or evade it

The Fire That Consumes Edward William Fudge, 2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years
