When In Doubt Roll:

When in Doubt, Roll! Bill Bruford, 2012-10-01 This book is a description of how one drummer Bill Bruford of Yes King Crimson Genesis and U K fame survived the lunacy that accompanies a professional musician s existence and still retained the desire to sit at the drumset and play It is a compendium of 18 of Bruford s recorded works in notated form together with scene setting and some explanation of how and why he arrived at the end product For the compulsive practisers amongst his readership he has included a few exercises that may or may not be related to the music which precedes them in the chapter If the narrative casts a somewhat jaundiced eye on the reasons drummers play the things they play the author makes no apologies for that Published by Foruli Classics dedicated to bringing the best out of print music and popular culture books back into print

The Complete Idiot's Guide to Playing Drums Michael Miller, 2003 Covers the history of drumming different drum types how to care for them and basic skills and tips for playing different types of music
