The Cinderella Murders David Cargill, 2015-07-28 Giles Professor of Magic and Illusion is invited to join the cast during their rehearsals at the oldest working theatre in Scotland The Cinderella Murders destined to become a West End hit needs a wow factor and Giles is the man to create illusions which will mesmerize and delight audiences But the rehearsals themselves are dogged by Illusions misdirections tricks and random inexplicable happenings When a member of the group dies suddenly there appear to be no reasons for anyone to suspect foul play Anyone other than Giles But the unsuspected killer has made one fatal mistake Failure to factor in the presence of Giles with his astute understanding of the human mind and his uncanny powers of deduction which have been used to such effect in solving crimes previously thought to be insoluble Tragically there is a heavy price to pay

Survival Handgun--Intro--Why This Information? , A Lie Too Big to Fail Lisa Pease, 2018-12-18 In *A Lie Too Big to Fail* longtime Kennedy researcher of both JFK and RFK Lisa Pease lays out in meticulous detail how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department how evidence was deliberately altered and in some instances destroyed and how the justice system and the media failed to present the truth of the case to the public Pease reveals how the trial was essentially a sham and how the prosecution did not dare to follow where the evidence led *A Lie Too Big to Fail* asserts the idea that a government can never investigate itself in a crime of this magnitude Was the convicted Sirhan Sirhan a willing participant Or was he a mind controlled assassin It has fallen to independent researchers like Pease to lay out the

evidence in a clear and concise manner allowing readers to form their theories about this event Pease places the history of this event in the context of the era and provides shocking overlaps between other high profile murders and attempted murders of the time Lisa Pease goes further than anyone else in proving who likely planned the assassination who the assassination team members were and why Kennedy was deemed such a threat that he had to be taken out before he became President of the United States
