Developing Literacy Christine Moorcroft, 2002 An activity book for children at Year 2 level designed to develop literacy It is part of a series of seven volumes which cover the Word level Sentence level and Text level objectives of the National Literacy Strategy Framework for Teaching from Reception to Year 6 Each title develops the children s skills in reading comprehension and writing composition for a variety of non fiction texts There are simple teaching notes in the introduction of the book which should be useful for non specialists and parents

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

Developing Literacy Donald R. Bear, Diane M. Barone, 1998 Developing Literacy focuses on the reading classroom rather than the reading clinic and highlights the relationship between literacy development and child development Abundant strategies facilitate assessment and offer useful models for both whole classroom and individualized settings
