relationship with the one that I love so very much and that is my precious Lord Jesus This little book means so much to me because I can share the love of God with those I don't know or will never meet this side of heaven If I had a thousand tongue to speak with it would still not be enough to express my gratitude for the one who left the splendor of heaven to come to this cesspool of sin and to save a wretch like me Oh how I love him so But it is my holy and precious Jesus that loves me even more This book is not about Pearly Stanley It is all about the love of God for me I pray it blesses you the same way that it blessed me

The Invisible Chains That Enslave Us Wes Brown,2023-12-06 For thousands of years mankind has been enslaved For the longest time real chains were used to enslave us In modern times the forces that have evolved from using real chains to invisible chains After thousands of years of wars famine plagues disease and man's inhumanity to both man and other life forms on the planet is humanity finally ready for an evolutionary step A step that will dissolve the invisible chains that enslave us After a lifetime of research Mr Brown has gathered together the keys to our past that he believes will unlock the next evolutionary steps His research covers the clues left throughout history in mythology religions and philosophy He explains why we are where we are today Then he examines some of the many ways we can recover our humanity and evolve as he believes we were intended The next evolution will not be through wars to conquer other nations or people but rather a dramatic shift in the way humanity thinks
