[Secret Chambers and Hiding-places ...](#) Allan Fea, 1908 *The Secret Chamber at Chad* Evelyn Everett-Green, 1898 *The Secret Chamber at Chad* Evelyn Everett-Green, 2021-03-16 **Margaret Oliphant's Curative Gothic Literature** Katerina García-Walsh, 2025-11-06 Prolific Scottish novelist Margaret Oliphant 1828-1897 remembered chiefly for her realist fiction and biting literary criticism of contemporary authors also wrote nineteen supernatural tales This

monograph offers a comprehensive exploration of Oliphant's Gothic literature in the light of her religious beliefs, cultural context, and experiences of death and mourning as she survived her husband and all six of her children. Oliphant's stories set in the afterlife depict the dead as inhabiting a new existence characterised by spiritual growth, while her tales set on earth attempt contact between the mortal and immortal planes. Garcia Walsh illustrates Oliphant's unique theological conception of afterliving, which ultimately seeks to eradicate the divide between the living and their deceased loved ones, reimagining death as a liminal passage towards God and divine self-development. This book thus suggests a new direction for Gothic studies by showing how Oliphant's supernatural fiction provided a means of curative writing, transforming the traumatic reality of death into a source of hope. The volume is suited for students, researchers, and academics in the disciplines of literature and history, particularly the fields of nineteenth-century studies, Victorian studies, and Gothic studies, with an interest in women's writing, theology, and mental health/trauma studies.

**The Secret Chamber** Jean-Claude Reisser, 2022-01-27 I woke up one morning with colorful images of a temple in Ancient Egypt. Despite all my efforts to understand why this vision came to my mind, I instantly knew that I would have a story to write. This book is a carbon copy of my dream: a vivid vision of an Egyptian high priestess living in the middle of the desert, and soon realizing that her life would change forever. However, I never expected my trivial imaginary world to be connected to an important historical event that really took place in 30BC: The last Pharaoh of Egypt, Queen Cleopatra, had committed suicide. The Ptolemaic kingdom, started by Alexander the Great, ended that year, and the fertile land of Kemet, as it was known for centuries, became Egypt, the granary of Rome. This story takes place in Upper Egypt, a Roman legion has already seized the town of Dendera, and is heading South. What will happen next? Let's find out.
