sophisticated in the latter days if the word Camper is in it it's covered The meticulous reproduction of advertising brochures many of which can easily be the best part of 50 years old make this a hard to put down coffee table volume for some a book with very much in vogue nostalgic visual appeal For others the lure of a lively and informative story peppered with carefully detailed pictures will ensure the book is a useful reference to visit over and over again Richard Copping's extensive collection of rarely seen advertising material provides a unique background to a much needed book designed to delight the multitude of VW Camper fans far and wide *Focus On: 100 Most Popular Compact Cars* Wikipedia contributors, *Volkswagen Writes History*, 1997* *Volkswagen Beetle* Richard Copping, 2018-08-17 The VW Beetle is simply the best known and most loved car in the history of the motor car Amazingly some of the earliest Beetles now seven decades old are still on the road while more recent examples particularly the classics from the late 1950s and 60s are many an enthusiast's pride and joy Created through the ingenuity of Ferdinand Porsche brought to the brink of series production by Hitler's Nazis and rescued from oblivion by the British after the war the Beetle soon developed into a phenomenon under the guardianship of Heinz Nordhoff the VW boss for two decades Overwhelmingly successful in over 150 countries across the world most notably in the USA when the car finally fell from grace in Europe after Nordhoff's death it was destined to enjoy a revitalised and lengthy swansong in South America The legendary Beetle's intriguing story is unravelled in this fascinating and handsome book
