## So Many Sounds:

**So Many Sounds** Tim McCanna,2019-11-26 Listen Do you hear a sound Noises come from all around Soft and gentle loud and clear Oh so many sounds to hear SoMany Sounds is a wonderful rhyming read aloud featuring everyday sounds and a refrain that children will love repeating The playful text and illustrations are sure to delight little ones while also inviting them to pay more attention to the world around them **The Music of Sounds and the Music of Things** Leigh

Landy,John Richards,2024-09-30 This book investigates two areas in which the appreciation of sonic creativity can be easily acquired across diverse cultures ages and interests the music of sounds making music with any sounds part of today s sampling culture and the music of things and the creation of instruments using existent materials another type of sampling involving the notion of instrument as composition as part of today s DIY or DIT do it together culture The book offers broad discussions regarding the music of things written by John Richards followed by the music of sounds written by Leigh Landy These chapters are followed by a focus on the workshop demonstrating the collaborative and inclusive potential in both areas and a spotlight on eight artists with a broad diversity of backgrounds and approaches to sound and music who discuss their perceptions The book s conclusion focuses on similarities and differences between the music of sounds and the music of things suggesting finally that both might form part of the 21st century s folk music landscape The book is primarily aimed towards students interested in current forms of sonic creativity but will be of interest to those interested in broader issues of sampling culture hacking and sound studies What Makes Different Sounds?
