Spring Again:

Spring Again Robert W. Nero,1997-01-15 In this collection of poems noted naturalist writer Robert W Nero offers insightful reflections on a variety of birds from peregrine falcons great grey owls and common ravens to purple martins and orioles We are also offered surprising glimpses of such diverse wildlife as frogs chipmunks shrews ants dragonflies and spiders It is nature in all its seasons that holds Dr Nero s attention as he develops intriguing views of ordinary scenes and events But the poems in this collection also speak of love passion and introspection thus revealing a deeper and increasingly personal side of one of Canada s most respected naturalists A combination of scientific training and experience along with ecological awareness and writer s craft is brought to bear in this fine assortment of poems As in his two previous poetry books we are privileged to share some fairly intimate aspects of the relationship between Bob Nero and his wife Ruth This surprising writer enriches our awareness of the diversity of nature while exposing some of his deepest and most tender thoughts and feelings
