Springsteen Point Blank:

Springsteen Chris Sandford, 1999-10-15 Bruce Springsteen turned fifty in 1999 the same year he was inducted into both the Rock and Roll Hall of Fame and the Songwriters Hall of Fame He remains one of the last true rock stars and nothing less than a cultural icon with album sales of fifteen million annually and concerts that are instant sellouts worldwide now more than ever with the revival tour of the E Street Band In *Springsteen* Christopher Sandford takes us back to the Boss's early days in New Jersey and through the sensational hits and rock god lifestyle of the mid seventies bringing the Springsteen story right up to the present for a second generation of fans By interviewing virtually all the major figures in Springsteen's life past and present and combining that with his own celebrated skill as a writer and critic Sandford has created a compelling and often surprising portrait one that gives new insight into Springsteen's music and influence and illuminates the many contradictions in his complex makeup

Springsteen Christopher Sandford, 1999 At a time when other ageing rock stars have yielded to burn out or self parody Bruce Springsteen is regarded by many as having held his place as a cultural icon His albums like *Born in the USA* which spent 136 weeks in the British chart all still enjoy airplay Meanwhile Springsteen has carved out a second career as a balladeer and purveyor of soundtracks and his work which has been covered by artists from Frank Sinatra to Sonic Youth sells a total of 15 million albums annually This biography explores his life and musical career

Springsteen Craig Statham, 2013 This book covers the year from Springsteen's birth to 1974 the year before his breakthrough album *Born To Run* It explores both the negative factors in his life such as school and Catholicism and the positive ones such as baseball girls and the guitar as well as the British Invasion the civil rights movement and crucially his relationship with his father Springsteen's early bands the Rogues the Castiles and Earth are examined via interviews with ex members Publisher description

Greetings from Bury Park (Blinded by the Light Movie Tie-In) Sarfraz Manzoor, 2009-03-12 The inspiration for the smash Sundance hit soon to be a major motion picture *Blinded by the Light* The acclaimed memoir about the power of Bruce Springsteen's music on a young Pakistani boy growing up in Britain in the 1970s

Sarfraz Manzoor was two years old when in 1974 he emigrated from Pakistan to Britain with his mother brother and sister Sarfraz spent his teenage years in a constant battle trying to reconcile being both British and Muslim trying to fit in at school and at home But it was when his best friend introduced him to the music of Bruce Springsteen that his life changed completely From the age of sixteen on after the moment he heard the harmonica and opening lines to The River Springsteen became his personal muse a lens through which he was able to view the rest of his life Both a tribute to Springsteen and a story of personal discovery Greetings from Bury Park is a warm irreverent and exceptionally perceptive memoir about how music transcends religion and race *God and Grace of Body* David Brown,2007-11-08 An exploration of the ways in which the symbolic associations of the body and what we do with it have helped shape religious experience and continue to do so David Brown writes excitingly about the potential of dance and music including pop jazz and opera to enhance spirituality and widen theological horizons *The Generativity of Bonnie Raitt and Bruce Springsteen* Kevin Kansman,2006
