Squirrels Tale:

A Squirrel's Tale Richard Fowler,1983 *A Squirrel's Tale* Richard Wyn Jones,2014-06-01 The forests of South West Scotland are home to the last major colony of red squirrels in Britain As long as time itself a natural order has governed this peaceful squirrel population It is their steadfast belief that The Lord of the Sky the Maker of all things watches over them and their reverent understanding that nature s way is his will To most squirrels their world operates in a basically benign fashion It can be fierce competitive even hazardous at times but this occurs only out of necessity and represents an essential condition of existence Rusty a loner and orphaned juvenile red squirrel however is not content Deep down he feels that the Lord of the Sky has ordained a special purpose for him In his vivid dreams he constantly challenges the Lord of the Sky to reveal his calling Many squirrels view him as strange and eccentric so he spends much of his time away from the Clan One spring morning the diminutive Rusty is exploring the farthest part of the forest where a small group of Reds have recently settled Undetected he witnesses their brutal murder by a bloodthirsty band of grey squirrels Abaddon their ferocious leader has brought his hordes of Greys North his aim to kill all red squirrels once and for all Rusty must warn the main Clan Outnumbered they will have to overcome all odds and fight for the very survival of their species *A Squirrel's Tale* Donna Mitchell,2014-07-26 **The Squirrel's Tale** Graham Percy,1994 **A Squirrel's Tale** Jenny West Smith,2015-08-05 Bobcats are very clever at catching rabbits and squirrels and other small animals When one adventurous squirrel falls for a trick of Bruce Bobcats its up to his brothers to find a way to rescue him *A Squirrel's Tale* Maggie Case,2011-05 Maggie Case dedicates her first book to her four year old son Michael who is quite a storyteller himself Sammy Squirrel learns a valuable lesson about the difference between telling the truth and telling a tall tale *A Squirrel's Tale* Donna Mitchell,2017-10-03 This is a story about Survival Determination and Compassion Survival is an interesting concept We hear it all the time but what really does it mean Do you survive because of good timing Do you survive because of good luck and circumstances Do you survive due to the compassion of others that come to your rescue Determination Another interesting word Is it in our nature Do we learn how to be determined Where does it come from Compassion Some living creatures just have it Nurturing animals Humans that simply care enough to do the right thing This is a story about ALL of that And more
