[The Ultimate BBQ Cookout Cookbook](#) Lisa Windle,2024-08-07 Isn t it more cost effective to buy pre made food for your BBQ It feels easier to skip formalities and buy pre made dishes from the grocery store when hosting a summer BBQ After all you have to cook for a dozen people organize entertainment and ensure a lively atmosphere and that s before you master the grill So it certainly seems better to buy in rather than make at home That however can be pretty costly and not likely to impress anyone Cooking rather than buying pre made food can be far better

and not as stressful as you might think For starters the quality and taste of the food can be superior Secondly you can offer better food choices that aren't full of processed elements You can cater to all guests including those with intolerances allergies and just plain fussy eaters Some dishes like appetizers sides and desserts can be made before the BBQ and that allows things to run smoother on the day Best of all mains can be cooked to order which is more likely to impress guests It means your summer BBQ will be remembered for the good food you serve and the effort you put in Of course you want your BBQ to be a success and the best way to achieve that is to serve home cooked food that stuns and amazes everyone including you Cooking from scratch lets you pair unusual flavors sample things you wouldn't normally try and offer healthy food choices and naughtier ones for those who don't care to count calories You can create the ultimate feast for your guests and impress them with your cooking talents I wrote this cookbook because I know how fun summer BBQs can be I also know how great it is to enjoy quality time with friends and family You can make your BBQ as affordable as you like and simplistic too You can have all the classics and a wide selection of dishes that hit the mark effortlessly It doesn't need to be tiresome not with exquisite dishes on the menu So let's see what dishes will impress your guests this summer
