Poems Robert Pauls,2013-02-08 Book Summary This collection of poems is meant to be a heart to heart contact Some reflect very deep struggles yet amazing victories We all have questions in life we all have goals we all believe something As you read these poems you will be reading me and perhaps I will be reading to you through them The greatest goal of this book is to expose our purpose in life our position in life and the giver of life We all have an amazing opportunity to not only have Gods best here and now but well past forever **Epiphany** Steve Lee,2015-01-23 Civilizations rise and they fall often by their own hand Ours is no different And this is how it happened Synopsis Just outside a small town in America s heartland a young Iowan farm boy Josh Peterson finds his life turned upside down by an odd series of reoccurring dreams Suddenly caught in a violent assault Josh watches as two mysterious figures from these dreams abruptly appear to intervene in his behalf In one inexplicable moment these men somehow suspend reality and in the process rescue him from certain death In the years that follow Josh struggles to understand what happened that day and the meaning of the dreams that somehow come to shape his life In time he finds these images connect him to a people who once lived centuries earlier and who were themselves rescued by these same men While he wrestles with this a cascading chain of global events begins to unfold around him paralleling the tragedies he s witnessed in his dreams Created by the arrogance of man this crisis quickly begins to unravel the fabric of civilization tracing out the now familiar pattern of Rise and Fall even as an unseen force lingers at the edge of perception drawing Josh through an event anticipated eons in advance This as civilization itself teeters on the lip of an abyss Steve Lee
