Verses of Pain and Love Runas C. Powe III,2015-12-29 To me words are an essential part of life especially when comes using words to express myself As a poet I live to entertain and inform others about different things in life When it comes to creative writing poetry essays and plays I use these devices as a way to process communication These elements of composition are a gateway into a world which I use words to illustrate life By letting words become my instruments of imagery my goal as a poet is to paint vivid pictures with a pen By doing so then I can then enlighten and capture my audience with words Through this process of communication I try to thought provoke and awaken the minds souls and hearts of my audience

Trapped in Oblivion Richard D. Jr. Kydd, Richard Kydd, Jr.,2004 In Trapped in Oblivion Between the Rule of Heaven and Hell poet Richard D Kydd Jr describes exactly that human condition Souls at once held in the hand and vision of God while suffering the struggles of the damned and blind And therein lies Kydd's gift the ability to realistically portray both the endless human capacity for hope and love amid a life of sorrow and loss His ability to reconcile this paradox and juxtapose hope and despair in the same poem is what makes his work so compelling As in his previous work Kydd shows wide range In By the Pale Moonlight he describes the moon as simultaneously A barren desolate environment of rock a bureaucratic reason to spend billions a beacon showing lovers the way to the heart and finally with tongue in cheek an excuse for a poem's subject matter Kydd understands illusion well and the theme runs throughout his work Oh God Dear God presents a typical happy family then bluntly and unexpectedly shocks at the end He speaks often of the mirage of money and power and of the soul losing its way in pursuit of illusory happiness Yet in the end he always gives hope In Star Bright he may say sarcastically Lactose intolerant to your Mama's tit as he depicts the fate of the outcast But in Rings of Fire he promises Life has blessed us one to another in this day of our love In The Shadow of a Friend Kydd says You know my dear Sister Haven't you looked upon her face You call her Life I am her Brother To you I am Death Come be one with me It is the mark of his maturity as a poet that Kydd is able to help the reader reconcile life with death and accept our fate as human beings

The Aziza Chronicles: Awakening TreVaughn Malik

Roach-Carter, Discovering her descent from mythological African warriors called the Aziza was just the beginning of Justice Montgomery's troubles. For not only has she been chosen to be their champion against supernatural evils, a demon is on the loose seeking to manipulate her into misusing her newfound powers. Determined to do what's right and live up to her heritage, Justice trains and forms a band of allies, both human and supernatural. Yet the demon is determined to lead her astray in the hope that her power might be used to enact an ancient prophecy. Should she succeed, Justice might become one of the most legendary Aziza to ever live. But should she fail, she might resurrect a goddess of Hell and doom the world. A Perfect Escape M.L. Jameson, Maddie James, 2019-01-05

Can two people running away from life figure out how to trust each other enough to live? Who the hell are you, Meg? I blinked. If Bradford sent this man to find her, then he wouldn't ask her who she was, would he? Relief slowly washed over her. I might ask you the same question. His face registered surprise, but he continued to stare. A second later, he shook his head and briefly closed his eyes. Look, I'm tired, and I'm not in the mood for questions. Just tell me who you are and why you were taking a shower in my house. Your house? Last time I checked, but I've rented it until the end of May. Megan Thomas wants to get lost, preferably in someone else's life. But can she really escape the terror of her past to grab onto some hope of a future? Leaving Chicago and her mob-connected husband behind, she assumes a new identity. She planned her escape to the last detail, but she didn't plan on Smyth Parker. Smyth Parker is already lost. And he sure as hell doesn't need a complication like Megan Thomas in his life. He wants nothing from no one and expects to live out his life in solitude. But when Megan fears her husband has found her, she runs again, and no detailed plan can save her this time. When she runs blindly into Smyth's arms, he has no choice but to protect her. Be forewarned: This book contains graphic descriptions of sex and violent situations, including murder and assault.

Afterlife Morton T. Kelsey, 1979

This is a book about what really happens after we die, by one of today's major religious writers. Professor Kelsey, in this successor to his best-selling *The Other Side of Silence*, responds to the question: What ever happened to the Christian belief in a life after death? After showing that many Christians no longer believe in an afterlife because they no longer believe in the spiritual world, Kelsey goes on to demonstrate the reality of the afterlife and its implications for our daily living. The author discusses the role of mysticism and meditation, drawing on his experiences with the dying and his teaching of pre-medical students at Notre Dame, classical spirituality, Jungian psychology, and the findings of parapsychology as ways to help his readers deepen their faith.

back cover Dante the Theologian Denys Turner, 2022-09-22

An understanding of Dante the theologian, as distinct from Dante the poet, has been neglected in an appreciation of Dante's work as a whole. That is the starting point of this vital new book. In giving theology fresh centrality, the author argues that theologians themselves should find when they turn to Dante Alighieri a compelling resource, whether they do so as historians of fourteenth-century Christian thought or as interpreters of the religious issues of our own times. Expertly guiding his readers through the structure and content of the *Commedia*, Denys Turner reveals in pacy and muscular prose how Dante's aim for his masterpiece is to effect what it signifies.

It is this quasi sacramental character that renders it above all a theological treatise whose meaning is intelligible only through poetry Turner s Dante knows that both poetry and theology are necessary to the essential task and that each without the other is deficient The Devil on Screen Charles P.
