Sola Scriptura Problems And Principles In Preaching Historical Texts:

Sola Scriptura Sidney Greidanus,1970 This book deals with a key question every pastor faces nearly every week in preparing his sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students Back cover

Sola Scriptura Sidney Greidanus,1970 *The Drama of Preaching* Eric B. Watkins,2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God s redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word

Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy,2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry

Christ-Centered Preaching Bryan Chapell,2018-05-15 In this complete guide to expository preaching Bryan Chapell teaches the basics of preparation organization and delivery the trademarks of great preaching This new edition of a bestselling resource now updated and revised throughout shows how Chapell s case for expository preaching reaches twenty first century readers

Recapturing the Voice of God Steven W. Smith,2015-06 In *Recapturing the Voice of God* veteran preacher Steven W Smith teaches how to preach genre sensitive text driven sermons to allow the structure of the text to be the structure of the sermon

Christocentric Preaching Meets the Historical Jesus Devon Duffield,2024-12-30 The Christocentric homiletic is

considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric

Redemptive-Historical Hermeneutics and Homiletics Yung Hoon Hyun, 2015-04-14 This book focuses on redemptive historical hermeneutics and homiletics within New Testament theology This is a valuable legacy of the Reformed tradition despite differences in interpreting and preaching Bible texts that surfaced in Holland 1920s and 1930s and the United States 1970s onwards before influencing Korean Reformed churches The background origin distinctiveness and development of these theological debates is explored and evaluated before the features of redemptive history in Korea are identified The influence of Western redemptive historical scholars on the Korean debate are also analyzed Here is a major and contemporary contribution to reformed historical hermeneutics and homiletics that is relevant for Korean Reformed churches but also for all Reformed churches worldwide

Using Illustrations to Preach with Power Bryan Chapell, 1993 Illustrations are integral to powerful biblical preaching and this work demonstrates why It also shares how to find and integrate illustrations effectively without compromising the Bible s message

Recent Homiletical Thought A. Duane Litfin, Haddon W. Robinson, 1983

Speaking to Life's Problems Lloyd Merle Perry, Charles M. Sell, 1983

A Hermeneutics of Ultimacy James H. Olthuis, 1987 This book proposes that the Bible s central claim to answer our ultimate life and death questions is the clue for a method of interpretation which fits with the nature of the text as a canonic whole A

faithful hermeneutic of Scripture will be pastoral in intention approaching Scripture on the level of certitude The book is unusual in that it attempts to forge a synthesis between an evangelical concern for biblical authority with modern critical concerns to do justice to the phenomena of Scripture Co published with the Institute for Christian Studies in Toronto *The Holy Spirit was Not Yet* Jonggil Byun,1992 **Paperbound Books in Print** ,1984 **Who's Who in Religion 1977-78** Marquis Who's Who, LLC,1977 **The Presbyterian Journal** George Aiken Taylor,1970-05 The Distinctive Character of the Free University in Amsterdam, 1880-2005 Arie Theodorus van Deursen,2008-04-17 Translated by Herbert Donald Morton The central theme of this history is the Free University as a private institution founded to provide Christian higher education At its founding in 1880 the Vrije University had only five professors and five students Among the other public universities it struck an odd figure and seemed destined for failure Yet founder Abraham Kuyper never wavered in his determination to build a special Reformed Calvinist university Arie van Deursen here recounts the engrossing history of this unique university in its 125th year using fully documented archival sources to detail the school s ups and downs over the years
