Soldiers Revenge:

German Blood, Slavic Soil Nicole Eaton, 2023-04-15 Winner of the Reginald Zelnik Book Prize in History German Blood Slavic Soil reveals how Nazi Germany and the Soviet Union twentieth century Europe's two most violent revolutionary regimes transformed a single city and the people who lived there During World War II this single city became an epicenter in the apocalyptic battle between their two regimes Drawing on sources and perspectives from both sides Nicole Eaton explores not only what Germans and Soviets thought about each other but also how the war brought them together She details an intricate timeline first describing how Königsberg a seven hundred year old German port city on the Baltic Sea and lifelong home of Immanuel Kant became infamous in the 1930s as the easternmost bastion of Hitler's Third Reich and the launching point for the Nazis genocidal war in the East She then describes how after being destroyed by bombing and siege warfare in 1945 Königsberg became Kaliningrad the westernmost city of Stalin's Soviet Union Königsberg Kaliningrad is the only city to have been ruled by both Hitler and Stalin as their own in both wartime occupation and as integral territory of the two regimes German Blood Slavic Soil presents an intimate look into the Nazi Soviet encounter during World War II Eaton impressively shows how this outpost city far from the centers of power in Moscow and Berlin became a closed off space where Nazis and Stalinists each staged radical experiments in societal transformation and were forced to reimagine their utopias in dialogue with the encounter between the victims and proponents of the two regimes Russia Michael S. Farbman, 2017-02-17 Written in 1918 this volume attempts to give an unbiased account of the Russian Revolution and what it stood for by asking to what extent the Revolution was the result of the War and how far the struggle for peace which followed the Revolution was inherent in it It discusses whether or not the peace policy of the revolutionary democracy expressed the true purpose of Russia at the time or were the Soviets really alien to the people and to the Revolution It also questions whether the disintegration of Russia and the dissolution of the Russian Army inevitable Shattered Liberation Nina Paulovicova, Anna Cichopek-Gajraj, Joanna Beata Michlic, 2025-12-15 Shattered Liberation Sexualized Violence Against Holocaust Survivors 1943-1946 challenges the notion of joyous liberation of Holocaust survivors by the Red Army which is often embedded in popular imagination and collective memory This is one of the first volumes to shine light on the sexualized violence that some Holocaust survivors endured in the hands of the Soviet Army partisans rescuers and army personnel in filtration camps during the liberation process By focusing on testimonies and memoirs this book discusses in detail a wide range of interactions including sexual violence rape forced cohabitation sex barter aid and romance The book addresses methodological challenges of employing survivors testimonies in an analysis of a traumatic history of liberation sexualized violence It explores the strategies survivors employed while recounting these traumatic experiences and examines how survivors experiences of sexualized violence during liberation have been both included in and excluded from public memory By challenging the popular notion of liberation as universally positive and instead focusing on the memories of Jewish
