Implementing Standards-based Education Robert J. Marzano, John S. Kendall, National Education Association of the United States, 1998 The purposes of this book are to help teachers understand the rationale and nature of the current emphasis on U S education on standards and to provide classroom teachers with guidance on the many ways the standards movement might affect their classrooms Approaches to implementing standards may be organized into two general categories indirect and direct Indirect approaches are based on the assumption that even though student performance on standards is not directly tied to their performance in individual classes teachers will naturally want to provide assistance to their students and will organize their classrooms accordingly Teachers will usually choose the standards they will address in their classrooms Direct approaches necessitate a change in classroom practice for teachers because the specific standards teachers must address are mandated Section 2 considers indirect approaches and section 3 considers direct approaches Appendixes contain 1 Steps to Reasoning Processes 2 Rubrics for Reasoning Processes 3 Rubrics for Effective Communication Standards and 4 Rubrics for Lifelong Learning Standards Contains 15 figures and 130 references SLD [National Standards & Grade-Level Outcomes for K-12 Physical Education](#) SHAPE America - Society of Health and Physical Educators, 2014-03-13 Focused on physical literacy and measurable outcomes empowering physical educators to help students meet the Common Core standards and coming from a recently renamed but longstanding organization intent on shaping a standard of excellence in physical education National Standards allows teachers to see the new standards and the scope and sequence for outcomes for all grade levels at a glance in a colorful easy to read format and provides administrators parents and policy makers with a framework for understanding what students should know and be able to do as a result of their physical education instruction The result is a text that teachers can confidently use in creating and enhancing high quality programs that prepare students to be physically literate and active their whole lives
