Stanton Postcard Book Collectif, Eric Stanton, 1996-10-01 *Postcards from the Chihuahua Border* Daniel D. Arreola, 2019-11-22 Just a trolley ride from El Paso Ciudad Ju rez was a popular destination in the early 1900s Enticing and exciting tourists descended on this and other Mexican border towns to browse curio shops dine and dance attend bullfights and perhaps escape Prohibition America In *Postcards from the Chihuahua Border* Daniel D Arreola captures the exhilaration of places in time taking us back to Mexico s northern border towns of Ciudad Ju rez Ojinaga and Palomas in the early twentieth century Drawing on more than three decades of archival work Arreola uses postcards and maps to unveil the history of these towns along west Texas s and New Mexico s southern borders Postcards offer a special kind of visual evidence Arreola s collection of imagery and commentary about them shows us singular places enriching our understandings of history and the history of change in Chihuahua No one postcard tells the entire story But image after image offers a collected view and insight into changing perceptions Arreola s geography of place looks both inward and outward We see what tourists see while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities *Postcards from the Chihuahua Border* is a colorful and dynamic visual history It invites the reader to time travel to revisit another era the first half of the last century when these border towns were framed and made popular through picture postcards **Ohio's Amusement Parks in Vintage Postcards**

David W. Francis, Diane DeMali Francis, 2002 By 1912 there were 54 amusement parks in Ohio The parks came in all sizes and featured such attractions as the Flying Ponies carousel the Chute the Chutes water ride and the Cyclone Racer and Dip the Dips roller coasters Some like Cleveland s White City seemed to be courted by bad luck from the beginning and folded after only a few disappointing seasons Others like Youngstown s Idora Park enjoyed long lives and fostered beloved memories but eventually closed down in the 1960s 70s and 80s A few like Sandusky s Cedar Point have grown to be considered among the greatest amusement parks in the world But most are now forgotten *Mrs. Stanton's Bible* Kathi Kern, 2001 Mrs Stanton s Bible traces the impact of Elizabeth Cady Stanton s religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the *Woman s Bible* Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women s right to vote Yet she spent the last two decades of her life working for another cause women s liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church s stifling authority over women s lives In 1895 she collaboratively authored this biblical exegesis just as the women s movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the *Woman s Bible* itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage

Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts American Woman Suffrage Postcards Kenneth Florey,2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards **Annals of Iowa** ,1984 **Register of the Hazen Collection of Band Photographs and Ephemera, Ca. 1818-1931** National Museum of American History (U.S.).
